TUCSON'S TRANSFORMATION: ONE CITY'S STORY

The Border Southwest CCDA Regional annual gathering is proud to be collaborating with CCDA member organization Community Renewal this year. We hope you will look into joining us for this collective event in which we come and hear about how God has worked to bring his Kingdom to Tucson, Arizona. Each and every city is different with its own identity and Tucson has that distinct individual identity. We have focused on many areas of concern over the years; crime, drugs, lack of education, high divorce rates, poverty, homelessness, child abuse, etc. All of these issues are being and have been addressed by the faith community and worked on through collaboration. We have seen God work in many ways and have many stories to tell and hopefully best practices to add to the transformation of your city. Come hear the outstanding speakers that will inspire you towards
