

CHARLIE B – ASSISTED LIVING MARDI GRAS PARADE

I need to see if any of my biker friends or anyone with an old classic car is available on Thursday February 4TH at 3 p.m. for a drive-through Mardi Gras Parade at the Assisting Living Community where I work.

Please message me if you are interested! Please share for this fun event! We will meet across the street at the Kenner park at 2:30 p.m. to line up.

Please see the email sent by HOG Chapter Director for my contact information if you are interested and want to participate.

Thanks

Charlie B
