## NALC Disaster Response Update from Mary Bates

After Hurricane Irma made landfall on Sunday Sept. 10, NALC Disaster Response reached out to our pastors and congregations with lots of prayers and support. From our congregation in San Juan Puerto Rico through the Sonshine Mission District to the Mid-South Mission District (Georgia area), every congregation has been impacted and families in every community need your help.

When contacted by Mary Bates, NALC Disaster Coordinator, some of our pastors and families burst into tears, so very thankful for the prayers and generosity of the NALC congregations around the country.

Electricity and other utilities will not be restored for at least 10 days, most likely longer. Your help is needed - see the needs list on the back of this insert.

Until donations centers can be established in Florida, please send your donations of materials or gift cards to:
