Mike Bagnato will head the Nominating Committee this year. Mike reported that Al Angelone and Bill Bonnell are on that committee. To hold an office, members must be MGA members for a minimum of 2-years, have participated on at least one committee, and be a member in good standing. Anyone meeting those standards wishing to run for office is encouraged to discuss that with someone on the Nominating Committee.

Snowbirds in the MGA were encouraged to give a self-addressed envelope to Dave Rowland so he can mail new membership forms prior to next year's MGA season.

There were 13 drawings held for the 50/50 raffle.

Today's tournament results and the results of the MGA championship were read by the Tournament Committee. MGA championship results were paid in cash.

Jack adjourned the meeting.

Respectively submitted: Lee Pereksta, MGA Secretary

Note: Al Angelone asked me to add a note: Marilyn Ford who is running for Port Orange City Council will have a meet and greet in the Cypress Head HOA building on April 17, from 5:00 to 7:00.
