COMPUTERS REFURBISHED

LOW COST • HIGH QUALITY • INCREDIBLE LEARNING SOFTWARE
AVAILABLE TO ANY FAMILY, SCHOOL, ORGANIZATION OR SENIOR CITIZEN

3 EASY STEPS TO RECEIVE A COMPUTER

Write a Letter
Each recipient is asked to write a letter/essay explaining why they cannot afford a new computer and how a computer will help. We love great letters! Your letter helps TeamChildren document how we are making a difference. Please include your name, address, phone number, email address, and if you have a picture of your family, please include it.

Contribute Financially
Everyone is asked to pay an administrative fee from $65-$225. Please include a minimum deposit of $65 or the full amount of the computer you choose (check or money order) with your application. The fee is based on the type of computer you choose. The amount you contribute is only a small portion of what it actually costs to help you receive a computer. To raise the additional funds, we are reaching out to area businesses and foundations for essential supplemental funding.

Select the computer you can afford on the other side and pay your balance when you pick up your computer.

Volunteer
Each recipient that receives a computer is requested to volunteer for an hour or more on the day you pick up your computer. If this is a problem, you can request an alternative form of volunteering. We are run primarily by volunteers and we always need extra help, and it will be fun and make a difference for someone else in need.

MAKE CHECK/ MONEY ORDER PAYABLE TO:

Name:_____ Date:_____

Company:_____

Address:_____ Amt. Enclosed:_____

City:_____State:_____ Zip Code:_____

Home Phone:_____ Cell Phone:_____

Email:_____ Computer Choice:_____
