<b>Dates</b>	<b>Course Taught</b>	<b>Taught for</b>	<b>Location</b>
June 18-22, 2018	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Arden Hills, MN
May 7-11, 2018	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Arden Hills, MN
December 11-15, 2017	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Greensburg, PA
September 18-22, 2017	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Wexford, PA
September 11-15, 2017	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Edison, NJ
April 10-14, 2017	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Tempe, AZ
April 3-7, 2017	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	West Sacramento, CA
October 12-16, 2015	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Aurora, IL
August 31-September 4, 2015	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, FL
June 1-5, 2015	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Nashville, TN

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

April 6-10, 2015	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Edneyville, NC
March 2-6, 2015	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Salemburg, NC
January 19-23, 2015	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Albany, NY
November 3-7, 2014	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jefferson City, MO
May 12-16, 2014	Vehicle Dynamics	Institute of Police Technology and Management	Kingston, Jamaica
April 28-May 2, 2014	Special Problems in Traffic Crash Reconstruction	Institute of Police Technology and Management	St. Pete Beach, FL
April 7-11, 2014	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Chandler, AZ
September 23-27, 2013	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Fishers, IN
August 26-30, 2013	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Jacksonville, FL
August 5-9, 2013	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Lakewood, NJ
July 8-12, 2013	Inspection and Investigation of Commercial Vehicle Crashes	Institute of Police Technology and Management	Douglas, WY
June 10-14, 2013	Traffic Crash Reconstruction Update	Institute of Police Technology	Scottsdale, AZ

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

		and Management	
June 3-7, 2013	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Scottsdale, AZ
May 20-24, 2013	Special Problems in Traffic Crash Reconstruction	Institute of Police Technology and Management	St. Pete Beach, FL
May 6-10, 2013	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Dublin, OH
April 8-12, 2013	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Charlotte, NC
March 11-15, 2013	Rotational Mechanics	Institute of Police Technology and Management	Kingston, Jamaica
March 4-8, 2013	Low Speed & Airborne Collision	Institute of Police Technology and Management	Kingston, Jamaica
December 3-7, 2012	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Pierre, SD
October 15-19, 2012	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Vancouver, WA
September 24-28, 2012	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Wayne, NJ
May 7-11, 2012	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, FL
April 30-May 4, 2012	Special Problems in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, FL

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

April 16-20, 2012	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Blythewood, SC
April 9-13, 2012	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Raleigh, NC
March 5, 2012	Traffic Crash Reconstruction Update	Illinois Association of Technical Accident Investigators	Des Plaines, IL
February 6, 2012	Traffic Crash Reconstruction Update	Illinois Association of Technical Accident Investigators	Collinsville, IL
January 9, 2012	Traffic Crash Reconstruction Update	Illinois Association of Technical Accident Investigators	Pekin, IL
August 22-26, 2011	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Little Rock, AR
July 4-15, 2011	Custom Training	Institute of Police Technology and Management	Jamaica
June 13-17, 2011	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Scottsdale, AZ
May 23-27, 2011	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Murfreesboro, TN
May 14-20, 2011	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Fort McCoy, WI
April 25-May 6, 2011	Special Problems in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, FL

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

April 11-15, 2011	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Little Rock, AR
March 21-25, 2011	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Scottsdale, AZ
February 28-March 4, 2011	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Albany, NY
February 14-18, 2011	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Des Plaines, IL
January 17-21, 2011	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Little Rock, AR
December 6-10, 2010	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Grand Island, NE
October 25-29, 2010	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Chandler, AZ
September 20-24, 2010	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Toms River, NJ
August 30-September 3, 2010	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Kansas City, MO
June 14-18, 2010	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Honolulu, Hawaii
May 10-14, 2010	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Keizer, Oregon

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

	Reconstruction	and Management	
April 19-30, 2010	Special Problems in Traffic Crash Reconstruction	Institute of Police Technology and Management	Orlando, Florida
March 15-19, 2010	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Jacksonville, FL
March 8-12, 2010	Fundamentals of Applied Physics for Traffic Accident Investigators	Institute of Police Technology and Management	Lakewood, New Jersey
December 7-11, 2009	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Tempe, Arizona
October 26-30, 2009	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	West Chester, Ohio
August 24-28, 2009	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Vancouver, Washington
August 17-21, 2009	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	London, Ohio
August 3-7, 2009	Fundamentals of Applied Physics for Traffic Crash Investigators	Institute of Police Technology and Management	Jacksonville, Florida
July 6-10, 2009	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, Florida
June 1-5, 2009	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Meriden, Connecticut
May 18-22, 2009	Fundamentals of Applied Physics for Traffic Crash Investigators	Institute of Police Technology and Management	Honolulu, Hawaii

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

April 24, 2009	Masters in Trial: A Trial Demonstration	Foundation of the American Board of Trail Advocates	St. Louis, Missouri
April 12-24, 2009	Special Problems in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, Florida
March 9-13, 2009	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Grand Blanc, Michigan
March 2-6, 2009	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Indianapolis, Indiana
February 9-13, 2009	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Woodstock, Illinois
December 8-12, 2008	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Tempe, Arizona
November 3-7, 2008	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Henderson, Nevada
October 20-24, 2008	Vehicle Dynamics	Institute of Police Technology and Management	Fort McCoy, Wisconsin
September 8-12, 2008	Fundamentals of Applied Physics for Traffic Crash Investigators	Institute of Police Technology and Management	Sewell, New Jersey
August 18-22, 2008	Fundamentals of Applied Physics for Traffic Crash Investigators	Institute of Police Technology and Management	Jacksonville, Florida
July 21-25, 2008	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Honolulu, Hawaii
July 14-18, 2008	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Vancouver, Washington
June 23-27, 2008	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	St. Peters, Missouri

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

April 28-May 2, 2008	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Augusta, Maine
April 21-25, 2008	Special Problems in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, Florida
March 23-27, 2008	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Springfield, Illinois
March 2-7, 2008	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Pierre, South Dakota
February 18-22, 2008	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Little Rock, Arkansas
February 4-8, 2008	Fundamentals of Applied Physics for Traffic Crash Investigators	Institute of Police Technology and Management	Plainfield, Indiana
January 14-18, 2008	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Gresham, Oregon
November 26-30, 2007	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Raleigh, North Carolina
October 29-November 2, 2007	Commercial Vehicle Crash Investigation	Institute of Police Technology and Management	Douglas, Wyoming
September 10-14, 2007	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Albany, New York
August 26-September 1, 2007	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Sewell, New Jersey
August 6-10, 2007	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Tempe, Arizona
July 9 - 13, 2007	Traffic Crash Reconstruction Update	Institute of Police Technology and Management	Pierre, South Dakota
June 18 - 22, 2007	Energy Methods and Damage Analysis in Traffic Crash Reconstruction	Institute of Police Technology and Management	Jacksonville, Florida
June 11 - 15, 2007	Energy Methods and Damage Analysis in Traffic Crash	Institute of Police Technology	Sewell, New Jersey

### TRAFFIC CRASH INVESTIGATION COURSES TAUGHT

May 21 - 25, 2007	Reconstruction Traffic Crash Reconstruction Update	and Management Institute of Police Technology and Management	Freehold, New Jersey
April 30 - May 4, 2007	Train the Trainer	Institute of Police Technology and Management	Jacksonville, Florida
