LEGEND

a—abundant; c—common; fc—fairly common; u—uncommon; r—rare; cas—casual; w—winter; s—summer; t—transient; v—visitant; r—resident; p—permanent.

Compiled by Tom M. Kirksey in 1938.
Revised and corrected to date, October, 1939, by Dr. Harry C. Oberholser, Mrs. Lena McBee, and Tom M. Kirksey.
Revised and corrected, 1944, by Mrs. Lena McBee with the help of Miss Mary Belle Keefe and Lieut. Alfred E. Eynon.

Price 2 for 5 cents or 1 cent each for 25 or more
MRS. LENA MCBEE, 3513 Van Buren Avenue, El Paso, Texas

Showing comparative abundance and seasonal status in the Rio Grande Valley in first column (captioned El Paso) and the same for foothills and mountain areas (captioned Ruidoso and Cloudcroft). Species marked by an asterisk are known to have nested in area designated.
