Dear Cornstock Fans, Sponsors and Vendors,

Our Cornstock board of directors have watched closely as the coronavirus has spread throughout the world impacting people from all walks of life including our friends, family, neighbors and entertainers alike. We looked forward to seeing all of our Cornstock fans, friends and family at the end of this horrible crisis and celebrating the end of the pandemic at our festival.

We are saddened to announce that we must cancel the 2020 Cornstock Music Festival. This is not the future that any of us hoped to confront, but our focus remains the well-being of our sponsors, fans, volunteers, artists, vendors and everyone who has made our festival successful.

All fans, vendors and sponsors who have purchased tickets or donated to our 2020 event will be receiving a full refund or reimbursement back within the next 60 days.

We thank each and every one of you for your understanding during one of the most challenging times in our community's history. We rely so heavily on our great sponsors and vendors who make this event possible and we truly hope that you will consider partnering with us again in the future. We look forward to seeing you back in front of the stage in 2021 enjoying some great country music.

Sincerely,

Cornstock Board Of Directors
