Booth # _____

40th Annual Hispanic Heritage Celebration

Booth Procedures
September 15, 2018

- 1. Vehicles:** No vehicles will be allowed onto the festival grounds after 11:00 a.m. on Saturday September 15, 2017. All vendors and volunteers will be able to park at the north parking lot across the street from Fiesta Gardens. Parking is not guaranteed. **Park at your own risk.** Fiestas Patrias is not liable for damage, vandalism, theft, etc... to your vehicle.
- 2.** The sale of soft drinks, bottled water and alcohol beverages is not allowed. Booths will be allowed to sell tea, lemonade, aguas frescas, and coffee.
- 3.** In order to avoid a power overload, each booth will be limited to (2) small electrical appliances. If there is a power failure, then you may be asked to turn off the appliance. You only have one 20 amp breaker. More than 2 electrical appliances will blow the breaker. This will not be a problem if you have an alternative heating or electrical source.
- 4.** All booths must follow the guidelines set by the City of Austin health department for outdoor vendors. See attached. There will be an Inspector at the site to inspect your booth area for ATCHD compliance. **Be prepared for inspection on 9/15/2018 by 10:00 a.m.** This is the time that the inspector will usually show up to inspect your booth. Keep area clean at all times. Rules and procedures are subject to change
- 5.** No tables or chairs will be provided. You must set-up your own booth. Food booths will need a roof with **FIRE RETARDANT STAMP** and a floor for dust and debris control.
- 6.** Fiestas Patrias is not responsible for lost or stolen items. Lock up large items and take smaller items home. Security will not be available after the event.
Remember, **Fiestas Patrias is not responsible for lost or stolen items.**
- 7.** Vendors should decorate the booth as authentic as possible to compliment the theme of the festival.
- 8. Fire extinguisher is required for food booths. If frying foods you will need a Class K fire extinguisher. All other food vendors using propane will need to have a 2a10bc fire extinguisher. All tents and tarps must be fire retardant with approved stamp from manufacturer. More info is available on the website regarding the requirements by Austin Fire Dept.**
- 9. Set-up** can begin on Friday 9/14/18 from 8am to 8pm.
Take-down will be available on Sunday 9/16/18 until 6:00 p.m.
- 10.** Due to the changing rules at Fiesta Gardens, vendors will be required to unload as soon as possible and move their vehicles outside of the park area as required by the Parks Department. Socializing after your car is moved.

If you have any questions, contact me by email at julius@diezyseis.org

Good Luck,

Julius Velasquez - President

Fiestas Patrias of Austin, Tx. Inc.
