Hands & Voices New Mexico Chapter Board of Directors Commitment Declaration

The Hands & Voices¹ New Mexico Chapter (HVNM) Board of Directors’ purpose is to support the HVNM mission, which is dedicated to supporting families with children who are deaf or hard of hearing without a bias around communication modes or methodology. We’re a parent-driven, non-profit organization providing families and others who care about children who are deaf or hard of hearing with the resources, networks, and information they need to improve communication access and educational outcomes for their children.

This objective is accomplished through outreach events, social networking, educational seminars, a website, advocacy training and support, lobbying efforts, and a state newsletter along with nationals’ newsletter. Our purpose is to help stakeholders connect to the information necessary to ensure optimum potential for children who are deaf and hard of hearing.

The absence of paid central office staff and a stable operating budget requires that board members commit to service that sustains the operation and growth of the organization. Board responsibilities include fiduciary, legal, and ethical oversight of all operations.
