

## Registered Student Participants,

On Thursday, January 31, 2018, at 7:00 am, we will depart from Baton Rouge via private coach bus service to the LSU Health Medical School New Orleans campus. **You MUST ride the bus to and from the program in order to participate in all of the day's activities. There will be no exceptions to this requirement.** We will be boarding the bus at 6:30 am at the Mall of Louisiana parking lot, the front lot near Macy's that faces Bluebonnet Drive. Mall management has approved these arrangements and will ask security to watch over these vehicles. Please remember that they are not responsible for your automobiles, so be sure to not leave any valuables in your car. Please do not be late, or you will miss the bus. We plan to return to the mall parking lot by 5:30pm depending on traffic. All students are required to stay for the entire program – no exceptions.

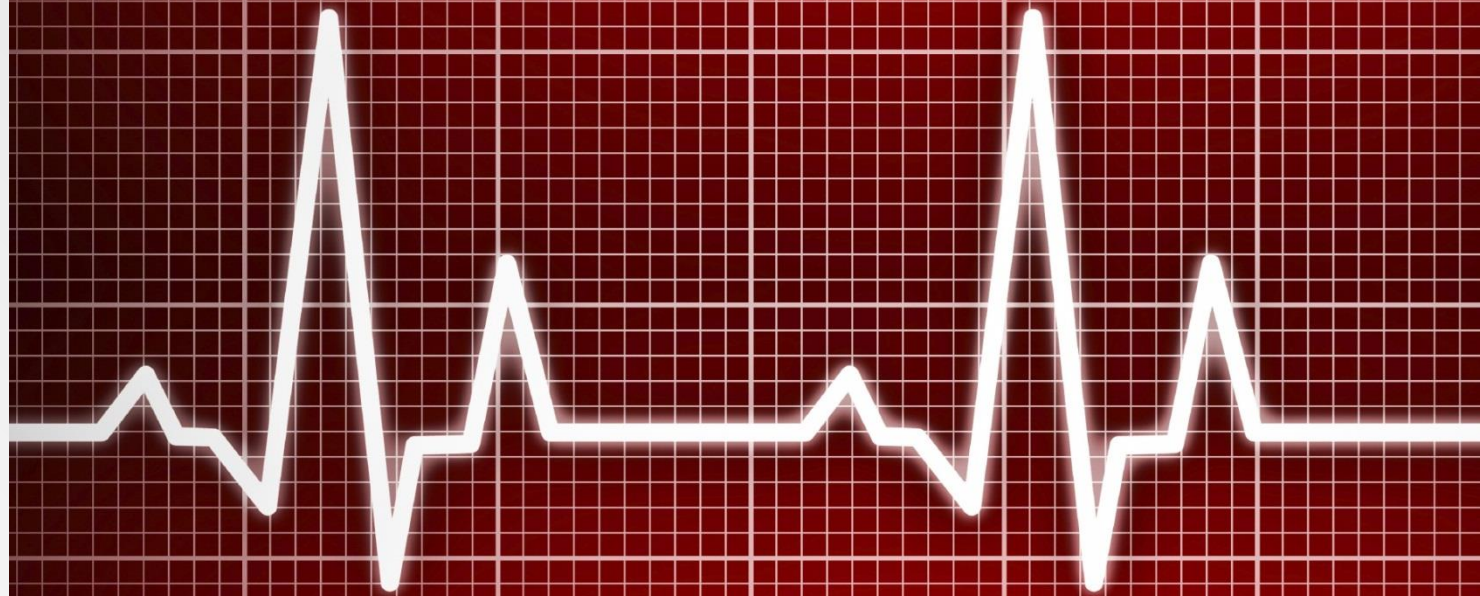

Central Louisiana AHEC has covered the following expenses for you: transportation to and from LSU Health New Orleans from Baton Rouge, lunch, and other expenses associated with the program. Students are responsible for arranging transportation to Baton Rouge on January 31<sup>st</sup> to catch the bus departing to New Orleans as well as transportation home. Students are also responsible for purchasing any souvenirs, additional snacks or incidentals. A short-sleeved t-shirt will be given to you that morning. Please wear khakis or slacks, **no jeans**.

Email or call if you have any questions.

Thank you,

**Babette Bourgeois**
