## From the President's Desk:

Notice to ALL Members: As of July 1, 2016 per PA Act 153 it is now required & mandatory by Pennsylvania State law that all volunteers that have direct contact with unaccompanied minors have the State Police Criminal Record Check, PA Child Abuse History Record Check, & FBI Criminal History report (if they have not been a PA resident for the last 10 years) and our Volunteer Clearance Procedure & Application and file them with the club. The policy is located on our website. In plain English: If you have not submitted the necessary paperwork you may not be involved in any activities with unaccompanied minors (people under 18). You must leave the activity, or the minor must leave the activity. There is no wiggle room in this matter and we have been pushing anyone in those type of positions to get the necessary clearances for 2 years now. It is simple and free. Any club member found to be in violation of this law will have their membership revoked as specified in Article VII of the club's by-laws.

Please remember that a spousal membership at our club is not a family membership. Members may accompany guests on our grounds. Family members, especially children, who do not have current membership cards with their name on them are not members, they may be your guests. Guests must be with you, under your immediate supervision, and following all rules as outlined in the by-laws, ground rules, or posted.

Howard

### **Juniors:**

Our camping trip is approved and planned for July 30th and 31st. On the camping trip we are planning a Junior's Challenge in which our Junior members compete against each other for prizes. We hope to have a .22 shoot, trap shoot, archery shoot, and a fishing competition. Start practicing now, to make sure you're ready! There will be prizes for both boys and girls, age groups (8-12 and 13+) and overall champion. If you would like to attend, please contact Mr. Ted to be put on the sign up – this is required.

\*Important, adults who have not completed and turned in Youth Volunteer Clearances will no longer be allowed to help with Juniors activities. Activities such as the camping trip are contingent on having enough cleared volunteers, this includes all adults planning to camp out and help with the Junior's Challenge. Please contact me if you have questions concerning clearances.

### **Volunteer Opportunity:**

Since most of us like to have our cake and eat it too, here's an opportunity to do just that, even as you benefit our club. Hershey Park needs volunteers! In coordination with our point of contact, club President Howard Thompson, he will direct you to the park on a specific date where you will work up to 8 hours with a certain financial benefit to the club as a direct consequence. While working there, they will feed you and at the end of your shift you will get at least 1 gate pass good anytime for the rest of the season. The work is not hard and most everyone there is very accommodating.

### **Save Our Streams:**

Last month we had TWO, yes I said TWO, successful "in stream" workshops that helped YOUR CLUB fulfill their in-kind hours required of Save our Streams Projects. If you missed out, you need not worry. We have two additional projects planned for the future. The first is June 23, a Thursday, set for 5:30 PM at the club. All you need to bring is your enthusiasm and a pair of boots to get into the stream and help. (Of course, at this time of year, shorts and sandals may do the trick.) The second is set for another Thursday evening, July 21, again at 5:30 PM. If you saw the report on the quality of streams in Pennsylvania, you saw that the grade given to Pa.'s waters was a "D +". Want to make a difference? Come out and give us a hand. Call me, Bill Stone, at (881-4992) to answer any questions, and help Your Club do its part. And of course, all of y'all that helped out before and are now, "experienced", are urged to come on out again! Matt thanks for your help.

Bill Stone

### **Road Clean Up:**

Saturday, Aug 27th. Meet at the clubhouse at 8am for coffee and donuts and we'll get off to a good start. Thanks for your help.

### **3 Gun Class:**

The rifle range will be closed from 9:00 am until 11:00 am Sunday, July 31st for a 3 Gun class.

### **Welcome New Members:**

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
