1/30/2016

Greetings!

I am pleased to serve as the 2016-2017 President of the La Verne Historical Society (LVHS) and look forward to many exciting activities in 2016-2017. When the LVHS elected me as President at its winter membership meeting on 1/11/16, I proposed that Galen and Doris Beery receive Honorary LVHS membership status in recognition of their untiring efforts over many years. It will not be possible to match their contributions but I will bring my perspective to leadership as your LVHS President.

LOOK FOR ONGOING EVENTS IN 2016-2017! Many of you enjoyed our Old Timer's Potluck Picnic last August as we said good-bye to the summer. In October we had the first of our home tours and will have second home tour on April 9th. In November Dr. Marlin Heckman gave us a history of the Lordsburg Hotel, followed by the December potluck and gift exchange. Our last event was a visit to Lizzie's Trail Inn and the Richardson House Museums in Sierra Madre. On 2/20/16 the LVHS is hosting three "Get on the Bus" tours of historical La Verne. I have attached the flyer for this event so be sure to take advantage of this fun and educational activity. On April 9th we'll tour the Brydon Ranch House and on May 20th we have a tour of the Sam Maloof House and Garden with free bus transportation provided by Supervisor Michael Antonovich. All events are free unless stated otherwise on their advertising flyers.

The LVHS will be made stronger by member participation. Come enjoy yourselves at our sponsored events and consider activity on our Membership, Education/Program, Local/Oral History and Archives, or Promotion/Publicity Committees. If committee activity does not appeal to you consider being a docent on a home tour, donating a door prize, or helping with refreshments at events. Contact me at sbest@lavernehistoricalociety.org and we'll discuss your interests and input. So, MARK YOUR CALENDARS and spend time with the LVHS on

February 20th, April 9th, and May 20th. You'll be glad you did...

Sherry Best, President
