## The President's Corner....

Dear all,

As winter turns to spring, we begin looking forward to going outdoors and ending our winter hibernation. Here's a list of activities that AARP will be providing in the months ahead for your springtime enjoyment:

1. The AARP tax program will continue to provide free tax preparations for members and non-members alike. Taxes will be done on Saturdays from 9:30--3:00 at the Ocean City Senior Center and on Mondays from 9:00--3:00 at the Ocean Pines library. Please call Peggy at 443-373-2667 for an appointment. Taxes will be done through April 15.

2. A springtime luncheon is being planned as a fundraiser for our annual scholarship for a student at Stephen Decatur High School. Details as to cost, date, venue, and menu will be announced as they are finalized. You may also check our website, [www.aarp1917.org](http://www.aarp1917.org), for luncheon information.

3. Preparations are already underway for our 2019 Health Fair that will be held this year on Tuesday, May 7 at the Ocean City Convention Center. As in past years, we would appreciate some of you volunteering to work at the Health Fair. We also need volunteers to assist with the fair set-up on May 6. Please speak with any AARP board member if you can help. For those who don't wish to volunteer, please plan to attend the Health Fair anyway and take advantage of the free screenings and health information that will be available. It's a wonderful opportunity to invest some time in your own health. Also, encourage non-AARP members to attend as well. The Health Fair is open to the general public at no cost.

4. Our travel committee has been hard at work providing you with new travel opportunities for the Spring and Fall. Be aware that some trips fill up fast, so it's best to sign-up early when you see one you like. Also, please note that our normal point of departure for trips, the Public Safety lot at 65th St., has been lost to us for the foreseeable future due to construction. New points of departure will be announced for future trips. Check with our travel committee for further information.

5. We will again host a free luncheon for our members following the June meeting. The chapter will provide subs, sodas, water, and chips. We will be asking our members to contribute a side dish or dessert item to compliment the subs. I hope everyone will be able to join us for this event.

I hope this list provides a satisfactory menu of activities for all to enjoy in the coming months. If you have other ideas of things you would like to see us do or sponsor, speak to any board member and let us know what is on your mind. In the meantime, let's all look forward to the arrival of warmer weather.

Best regards, Bob

**AARP 1917 - JOIN US!** Our meetings are held at the Worcester County Senior Center located at 41st street, Bayside, Ocean City, on the second Thursday of every month, September through June. The Senior Center is just to the right of the Roland Powell Convention Center, almost under the water tower. Free parking is plentiful.

Meeting time is preceded by coffee, snacks and time for travel and brochure browsing, followed at 10:00 am by our speaker and business meeting. Ocean City residency is not required to JOIN US, and belonging to another chapter is fine with us. Tell your friends or bring your neighbors to a meeting.

### Senior Center card

New members, please take the time to get your picture Senior Center card at the center. Each time you attend a meeting or event, please swipe your card or use your phone number to sign in. **AARP Taxes** - this year by appointment only. Refer to President's Letter for more information.

**PLEASE REPORT SCAMS:**

whether an email request for detailed information, phone call requesting money, child endangerment or questionable prize collection. STOP. Check it out before you send or wire money to someone or provide any type of personal information.

**If you spot a scam, report it to the Federal Trade Commission.**

**Call the FTC at 1-877-FTC-HELP ( 1 877-382-4357 )**  
**TTY 1-866 653-4261**

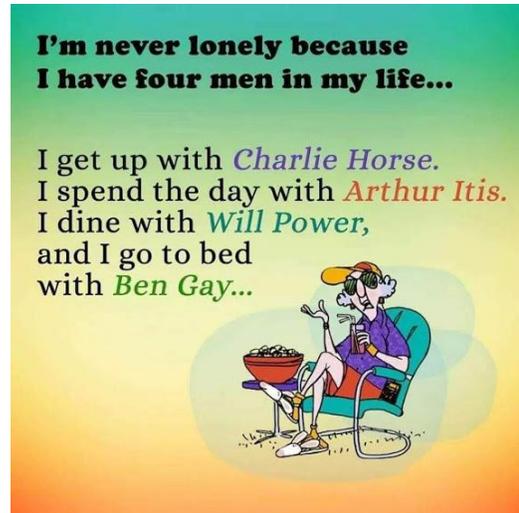

Or go on-line: **[ftc.gov/complaint](https://ftc.gov/complaint)**. Help protect others from the rampant fraud that is so much a part of our life.

**Answering the phone  
"Sheriff's Department,  
Fraud Division" sure has  
slowed down the  
telemarketer calls.**

**Overall, scammers extracted an estimated \$2 billion from Americans last year, and 70% of reported fraud began with a phone call, according to the Federal Trade Commission. America's senior citizens are facing new technology scams designed to sucker money from them as fraudsters target their smartphones and computers as well as use social media posts to lend authenticity to bogus kidnapping calls. More recently, seniors and veterans receive calls or emails from individuals at various government agencies, or local county officials offering or threatening fines, warrants, bail money and even arrest for a carefully calculated scam, keeping their victims off-balance and emotional. FBI reports that Internet romance scams are also on the rise, where people pretend to be potential suitors to solicit money. It is a hugely underreported crime according the FBI offices in Houston, Tx, due to the embarrassment and shame that these individuals feel.**
