

Jamie Carroll is a nurse practitioner with a Women's Health Care Nurse Practitioner certification, currently working for Mayo Clinic in Breast Cancer since July 2015. She holds a master's degree from the University of Nebraska Medical Center, graduating in 2012. Her clinical interests are in quality improvement within the breast cancer teams as well as improving survivorship for breast cancer patients. Jamie enjoys education of students, nurses and fellow colleagues across the nation. She has earned the status of Assistant Professor through Mayo Clinic College of Medicine and Science.
