

Goals of the Woodland Owners of the Southern Alleghenies

1. Exchange information on best management practices for sustainable forestry while considering the landowner's interest in wildlife conservation, aesthetic values, watershed protection, recreation and economic return.
2. Educate landowners on stewardship and sustainable use of resources.
3. Provide lists of forestry resources to our members and the public.
4. Work with community organizations to educate the public about forest stewardship and sustainability.
5. Achieve recognition as an organized voice of forest landowners in the region for sustainable forestry.
