Help with teardown – Tiffany Cannon & Club Members

THANK YOU GRACIAS MERCI BEAUCOUP DANKE

**The Officers and Board of Directors of
The Petit Basset Griffon Vendéen Club of America
Welcome you to Kerrville TX and the
2023 Regional and National Specialties!**

Thanks to everyone who has made the journey to Kerrville for this week of fun, competition, learning and fellowship. We come from different parts of the country, different generations and different world views, but we are all here to celebrate these crazy little hounds we love with all our hearts.

Each of you will add something unique to this week and I personally appreciate you being here.

Thanks to the show committee for devoting so much time and energy to put on this "show." There's a list of people involved in this catalog and also in your Welcome Bags. Please thank them when you see them. My heartfelt appreciation to all of you, but especially Lora Megli (Assistant Show Chair and Obedience/Rally and FAST CAT Chair), Mendy Marshall (ScentWork Chair and Treasurer) and Vickie Willmann (Agility and Triathlon Chair). I know an embarrassingly little amount about these wonderful performance events and they would not have been a success without these subject matter experts lending their time, knowledge and commitment.

We only do this once a year, so let's wring all we can out of this week!
Enjoy!

Tiffany Cannon
2023 Regional and National Specialty Show Chairman

President's Message

Howdy and welcome back to Kerrville, TX for the 2023 Regional/National Specialty. I am looking forward to a wonderful week full of PBGVs and catching up with friends.

Thank you very much to the Show Chair, Tiffany Cannon, Assistant Chair, Lora Megli and their committee for all of their hard work to make this show happen. This is a big job and I am grateful for wonderful members that are willing to take on chairing our annual Regional/National show. There are so many events we will be exhausted by the end but it will be well worth it.

I hope you have a wonderful time and enjoy your visit to Kerrville.

Cris Baldwin

Regional & National Agility

My first 20 years were in the Philadelphia, South Jersey area. Lovely place and still have friends there. But as soon as the decisions were mine, I left for Southern California to get away from the cold! I am a CPA so basically I can move anywhere and someone will need me. After 20 years in SoCal I did 10 in Arizona before ending up in North Texas.

I got my first dachshund in 1990 and he was totally fun. I met lots of dachshund people and discovered earthdog. Next dachshund was a beautiful longhair red I named Sawyer. Boy did my life change! He wanted to do everything, so we did obedience, rally, earthdog and agility! I bred him twice and got

another great dog out of that. And it went on and on...I still have Chili, grandson of Sawyer. He has lots of titles, including Dachshund Versatility, but his current love is Scentwork. He has all his master titles and we are working on Detective. I have Chili's mother Megan, and 2 non-related dachshunds. Everyone competes. I'm still a CPA, working for myself for about 20 years, because SOMETHING has to pay for all the entry fees and travel. I'm very happy to be here to judge your specialty – PBGVs are my second favorite breed.

Betty Barth

Regional Puppy & Veteran Sweepstakes

Betty Barth is a founding member of PBGVCA. She along with her husband George have been breeding and showing dogs under the kennel name GEBEBA since 1976. Their very first PBGV was Alexander, who started it all here in the USA by winning Best in Show at the 1983 Super Match with an entry of over 3300 dogs, propelling the breed to recognition in the USA. Their hounds have been titled in all areas of the sport, producing BIS, BISS and dogs placing in the Annual Top 20 for a majority of the past 30ish years. Betty is also a PBGVCA Hunt Test judge and has personally qualified many of her hounds in the field. Others have taken GEBEBA hounds to the pinnacle of achievement in a wide variety of performance events including agility, rally, obedience and hunting. Betty also owns Grand Basset Griffon Vendeen and was instrumental in developing the AKC breed standard for both the PBGV and the GBGV.

Sandy Bustin

National Puppy & Veteran Sweepstakes

My experience and love affair with PBGVs began in 1997 when I acquired my first PBGV and to this day the impact of this breed in my life has been ongoing. Having bred 7 litters in 25 years, I consider myself both a hobby and preservation breeder. My goal and focus in the litters I have bred has been to produce sound, healthy, "typey" PBGVs that conform to the standard.

I have bred several champions including my male,

Zouk, who was awarded Best in Show from a large group of beautiful Petits at the 2006 National Specialty. His sister from a repeat breeding was Best of Opposite Sex to him out of the classes. It was a proud moment under a prestigious breeder judge and author of a book on the breed. In addition, four dogs I have bred were Best of Opposite Sex at Eukanuba and Royal Canin invitationals. Zouk's mother, Odie, was Best of Opposite at the National Specialty under a breeder judge in 2002.

I currently serve as the rescue chair for PBGVCA as well as being the Hallmark Chair and co-chair of our PBGVCA Top 20 event. In the past I served on the Board of Directors for the Eastern region, and as trophy chair for two Nationals. In 2007 while a member of the board of directors, I was on the committee that revised the breed standard as it now reads. Recently, I have become involved with hunting my 2 PBGVs, Pink & Loki and both have Parent Club Junior Hunter titles.

In 2007 I judged PBGV Sweepstakes at the Chicago International Kennel Club Show. It was a wonderful experience, and an honor given to me by my peers in the breed. I am honored once again to be chosen by my peers to judge Sweepstakes at our National specialty in Kerrville, Texas.

Charlene Dunn

National Scent Work

Charlene Dunn is an AKC Scent Work, AKC Earthdog, AKC & ASCA Tracking, and AKC & UKC Rally judge. With over three decades of experience in Obedience and Tracking, she owner handled the first All American CT with all 5 tracking titles. She has Champion Tracker titles on 3 distinct breeds (Labradors, Dachshunds, and All-Americans). In addition, she has handled multiple dogs to their TD titles. Two of her AKC Champion Trackers, came out of retirement to "play" scent. At 19 years old, her All American achieved her SWN, SHDN SBNE. At 17.5 years old, her Dachshund achieved her SWM, SHDM.

In Obedience her dogs have earned multiple CDs, CDX, along with all levels of Rally in both AKC and UKC up to RAE. All of her dogs are Canine Good Citizens. In other venues she had 1 Labrador licensed to work as a therapy dog from TDI, 2 Labradors with the highest-level Water Rescue titles (WTXX), and 1 Labrador cleared for Search & Rescue.

Ms. Dunn believes all dogs should have a basis in obedience for focus & control. As many breeds do, her Labs, Dachshunds, and BC/Basset mix liked to have “jobs.” She enjoys judging the various scent related sports and watching the breeds work.

David Haddock

Regional Breed/Jr Showmanship/4-6 Puppy

Mr. Haddock had been involved with obedience and conformation with purebred dogs since the 1970's. He acquired his first Portuguese Water Dog in 1989. Ch Roughrider's Manhattan UD was one of the first of the breed to achieve both an AKC Breed Championship and a Utility Dog title. Mr. Haddock owned and co-bred a number of PWDs under the Driftwood kennel prefix.

Mr. Haddock has been judging for more than 20 years and has had the privilege of judging all over the world. He has served as an officer with many kennel clubs and is on the

Board of Governors for the Westminster Kennel Club. He is currently serving as the Westminster Kennel Club Co-Show Chairman.

Giovanna Imperia

Regional Scent Work

Giovanna has more than 15 years of experience in competing and training dogs. Over the years she has trained and competed with her PWDs and Lagotto Romagnolo in agility, obedience, water, dock diving, rally, conformation, tracking, mantrailing, and of course scent work/nosework. One of her PWDs was the first in the breed (and #17 nationwide) to achieve the EN (Elite Nosework) title with UKC. She is a founding member and past president of the local UKC Nosework and AKC Scent Work clubs. She has

been teaching scent work locally for several years, and is an AKC and UKC judge. Ms. Imperia has recently been certified to teach Mantrailing. Currently, she is competing in AKC and NACSW with her 5 year old Lagotto Romagnolo named “Primo” and her 16 month old PWD “Zeno.”

Lora Seale

Regional & National Obedience & Rally

My dog training interest began formally in the mid 60's while assisting a field trial trainer working with German Shorthair and German Wirehair Pointers. Officially, the obedience bug hit in 1973 with a German Shepherd Dog.

I became a novice obedience judge in 1982, shortly after achieving my first UD title with an

ever clever Doberman. By 1985, I was approved to judge Novice through Utility Obedience classes. I had achieved UD titles on a Border Collie and another Doberman. My other breeds achieving obedience titles include: (OTCH MACH) Golden Retrievers, Miniature Pinscher (CDX, NA, NAJ), Miniature Poodle (CD and CDX as well as MACH5) and, of course, the German Shepherd Dog (CDX). I also put MX, MXJ on a Long-Coat Chihuahua. My short list of accomplishments also includes finishing Poodles, Brussels Griffons, Chihuahuas (smooth and long) and Miniature Pinschers to their Breed Championships. Agility titles were attained with a Miniature Pinscher (Liza - AD, OA), a Long Coat Chihuahua (Rikki - MX,MXJ), a Shetland Sheepdog (Ivy - MX, MXJ) and two Miniature Poodles (CH Keeper - MX,MXJ) (CH MACH5 Dancer - CDX, RE and OTCH MACHs on two Golden Retrievers. This sport and the honor of judging around the country has introduced me to so many wonderful people and their dogs. I treasure knowing you all.

I believe that being an obedience judge has given me the opportunity to give back a bit to the sport that has given me so much. Teaching obedience offers me the opportunity to put better exhibitors into the sport. Good Luck to you all this weekend and in all future endeavors.

Susan St John Brown

National Breed/Jr Showmanship/4 to 6 Month Puppy

Susan originally started in Irish Setters in 1970. She is most well known for her Serandida Ibizan Hounds, the breed that she started showing in 1979. Ms. St. John Brown has bred many, many top ten, group winning and Best in Show winning Ibizans as well as Westminster, Eukanuba and Beezerfest breed winners. Most recently, Ch. Serandida Spirit of Luxor, was BISS show at the 2010 national and Best in Show winning Ch. Serandida East So Bigstar was the #1 Ibizan Hound in 2013.

Susan has been judging since 1989 and currently is approved for four Groups including Sporting, Hound, Toy, Non-sporting plus Boxers in the Working Group. Susan has had the honor of judging both the Irish Setter National Specialty and the Ibizan Hound National Specialty and has been proud to judge at both Westminster Kennel Club and the AKC National Championships in Florida.

A Brief History of the PBGV Club of America

by Jane Swanson

“Morebess Raymond le Rebelle” was the model for the club logo drawn by Vickie Kwasny. Raymond was from the first litter bred in Denmark by Per Knudsen in 1978. Declared the best show dog Knudsen had ever seen, Raymond won all over Europe, achieved many titles and Best in Shows and sparked demand for the breed in several countries.

Interest in the Petit Basset Griffon Vendéen in the United States was sparked in 1983 when George and Betty Barth entered Alexander, a 90-day-old PBGV puppy they had purchased in Canada less than a week earlier, in the New Jersey “Super Match” sponsored by the Professional Handler and Owner Handler Associations. Entered as a rare breed, Alex ended up winning Best Puppy in Match, and sparks from that one event turned into a wildfire of interest as Alex’s photo and stories about the breed hit the national canine publications. Kitty Steidel had seen Alex at the match and later saw some PBGVs owned by members of the Basset Hound Club in Denmark. After doing much breed research and speaking to several others who were equally intrigued by the PBGV, it was decided time was ripe to form a club for the breed in the United States. On Nov. 19, 1984, just a shade more than a year after Alex won that match, 17 people from eight states and Canada —

Jackie Balog, George and Betty Barth, Sue and Bill Barton, Barbara Cromley, Geraldine Cross, Marc Delanier, Pat Fellman, Barbara Galbraith, Heidi Martin, Louisa Myers, Mary Jo Shield, Anne Snelling, Kitty Steidel, Sally Sweatt and Barbara Wicklund — met during AKC’s Centennial Celebration in Philadelphia with the intention of forming a national breed club for PBGVs.

With a stated mission to protect and promote this rough-coated French hound, the Petit Basset Griffon Vendéen Club of America was formed. Elected officers were Kitty Steidel, president; Barbara Cromley, 1st vice president; George Barth, 2nd vice president; Marc Delanier, secretary; and Bob Booth, treasurer. Bill Barton, Cross, Fellman, Galbraith, Miller and Wicklund were selected as board members. A letter was sent to AKC announcing the club’s intention to seek recognition for the breed. During its first year, membership increased from those initial few to 50, a standard was devised, a constitution and by-laws were adopted and a national registry and studbook were set up. Four months after that initial meeting, 15 PBGVs competed in the club’s first match held in Kentucky on March 16, 1985. Breed interest continued to soar, especially after ABC television reporter Roger Caras bought a PBGV and took it on “Good Morning America.”

By the time the PBGV was accepted to AKC’s Miscellaneous Class on July 1, 1989, club membership had grown to 126 and an annual specialty show was being held. On Aug. 14, 1990, the AKC Board approved the PBGVCA’s bid to register its dogs in the AKC Stud Book beginning Dec. 1, 1990. The breed became the 131st breed to be registered and the 24th member of AKC’s Hound Group, and became eligible to compete for AKC points in February 1991. By then club membership had risen to nearly 200, a number that was almost doubled for the club’s 25th Anniversary Celebration which was held in conjunction with its 2010 national specialty in St. Louis.

By Jane Swanson

AKC PBGV STANDARD

GENERAL APPEARANCE

The Petit Basset Griffon Vendéen is a French scent hound developed first and foremost to hunt small game over the rough and difficult terrain of the Vendéen region. To function efficiently, he must be equipped with certain characteristics. He is bold and vivacious in character; compact, tough and robust in construction. He has an alert outlook, lively bearing and a good voice freely and purposefully used.

The most distinguishing characteristics of this bold hunter are: his rough, unrefined outlines; his proudly carried head displaying definitive long eyebrows, beard, and moustache; his strong, tapered tail carried like a saber, alert and in readiness. Important to breed type is the compact, casual, rather tousled appearance, with no feature exaggerated and his parts in balance.

Any deviation from the ideal described in the standard should be penalized to the extent of the deviation. Structural faults common to all breeds are as undesirable in the PBGV as in any other breed, regardless of whether they are specifically mentioned.

SIZE, PROPORTION, SUBSTANCE

Size – PBGVs measure between 13 and 15 inches at the withers. Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

Proportion - When viewed in profile, the body is somewhat longer than tall when measured from point of shoulder to buttocks, as compared to the height from withers to ground.

Substance - Strong bone with substance in proportion to overall dog.

Head – The head is carried proudly and, in size, must be in balance with the overall dog. It is longer than its width in a ratio of approximately two to one. A coarse or overly large head is to be penalized.

Expression - alert, friendly and intelligent.

Eyes - large and dark with good pigmentation, somewhat oval in shape, showing no white. The red of the lower eyelid should not show. The eyes are surmounted by long eyebrows, standing forward, but not obscuring the eyes.

Ears - supple, narrow and fine, covered with longhair, folding inward and ending in an oval shape. The leathers reach almost to the end of the nose. They are set on low, below the line of the eyes. An overly long or high-set ear should be penalized.

Skull - domed, oval in shape when viewed from the front. It is well cut away under the eyes and has a well-developed occipital protuberance. Stop clearly defined.

Muzzle – The length of the muzzle from nose to stop is slightly shorter than the length from the stop to occiput. The underjaw is strong and well-developed.

Nose - black and large, with wide nostrils. A somewhat lighter shading is acceptable in lighter colored dogs. A butterfly nose is a fault. **Lips** - The lips are covered by long hair forming a beard and moustache.

Bite - It is preferable that the teeth meet in a scissors bite, but a level bite is acceptable.

NECK, TOPLINE, BODY

Neck –The neck is long and strong, without throatiness, and flows smoothly into the shoulders.

Topline – The back is visibly level from withers to croup. There is a barely perceptible rise over a strong loin. Viewed in profile, the withers and the croup should be equidistant from the ground.

Body muscular, somewhat longer than tall. Compact, casual in appearance, with no feature exaggerated and his parts in balance. Chest rather deep, with prominent sternum. Ribs moderately rounded, extending well back. Loin short, strong, and muscular. There is but little tuck-up.

Tail - of medium length, set on high, it is strong at the base and tapers regularly. It is well furnished with hair, has but a slight curve and is carried proudly like the blade of a saber; normally pointing at about two o'clock. In a curved downward position, the tip of the tail bone should reach no further than the hock joint.

FOREQUARTERS - Shoulders clean and well laid back. Upper arm approximately equal in length to the shoulder blade. Elbows close to the body.

Legs – The length of leg from elbow to ground should be slightly more than half the height from withers to ground. Viewed from the front, it is desirable that the forelegs be straight, but a slight crook is acceptable. In either case, the leg appears straight, is strong and well boned, but never coarse nor weedy. Improperly constructed front assemblies, including poor shoulder placement, short upper arms, out at elbows, lack of angulation and fiddle fronts, are all serious faults. Pasterns strong and slightly sloping. Any tendency to knuckle over is a serious fault.

Dewclaws may, or may not, be removed.

Feet - not too long, between hare and cat foot, with hard, tight pads. The nails are strong and short.

HINDQUARTERS - Strong and muscular with good bend of stifle. A well-defined second thigh. Hips wide, thighs well-muscled. Hocks are short and well angulated, perpendicular from hock to ground. Feet are as in front. Except that they must point straight ahead.

COAT - The coat is rough, long without exaggeration and harsh to the touch, with a thick shorter undercoat. It is never silky or woolly. The eyes are surmounted by long eyebrows, standing forward but not obscuring the eyes. The ears are covered by long hair. The lips are covered by long hair forming a beard and moustache. The tail is well furnished with hair. The overall appearance is casual and tousled.

The rough, unrefined outline and tousled appearance of this rustic hunting hound is essential. Any sculpting, clipping, scissoring or shaping of the coat is contrary to PBGV breed type. The PBGV coat should be clean, neatened as necessary, but always remain casually disarrayed. Any deviation from the ideal described here and in the General Appearance Section of the official standard should be penalized to the extent of the deviation.

COLOR - White with any combination of lemon, orange, black, sable, tricolor or grizzle markings, providing easy visibility in the field.

GAIT - The movement should be free at all speeds. Front action is straight and reaching well forward. Going away, the hind legs are parallel and have great drive. Convergence of the front and rear legs towards his center of gravity is proportional to the speed of his movement. Gives the appearance of an active hound, capable of a full day's hunting.

TEMPERAMENT - Confident, happy, extroverted, independent yet willing to please, never timid nor aggressive.

DISQUALIFICATION - Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

AKC CODE OF SPORTSMANSHIP

PREFACE: *The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

~ 2023 PBGVCA TRIATHLON ~

The triathlon at the 2023 National in Texas has 14 dogs vying to earn a **Beginner Triathlete or Triathlete Award**. These 14 dogs combine for a total of 217 entries. The Petit Basset Griffon Vendéen Club of America in an effort to encourage its members to work with and train their PBGVs started the Triathlon at the 2016 National. It has turned into a great event for PBGV owners who enjoy training and working with their PBGVs to participate in different events offered at our nationals with others who enjoy companion and performance events.

To qualify for the Beginner Triathlete Award, a PBGV must enter three different disciplines and qualify in at least two of them. For the Triathlete Award a PBGV must enter at least three different disciplines and qualify in three of them. Qualifying scores can be earned during the Regional or National events. A dog may only compete in an event for which it is eligible under AKC rules and must have registered for a Triathlete award by the closing date of the shows. This competition is open to all PBGVs including those neutered or spayed.

Disciplines, Classes, and Titles that count towards the Triathlon

Agility – All Standard, Jumpers, T2B, and Fast classes. Regular and Preferred height.

Obedience – Beginner Novice will count for the Beginner Triathlete Award only.

Rally – Novice, Intermediate, Advanced, Excellent and Master.

Scent Work – Container, Interior, Exterior, Buried, and Handler Discrimination.

CGC, CGCA, CGCU, any Trick Dog title or Fast CAT title – Only one title from this category may count towards the Beginner Triathlete Award.
