

Grand of New Mexico
President's Message #1
July 2021

Hello Team,

I want to say Thank You to the Grand of New Mexico for entrusting me with the highest appointment of President. I, along with my line officers are here to support and encourage each of you and your auxiliaries. Let us have a great New Year.

Here are a few things that you all need to know about my year:

Theme: Sticking Our Neck Out for Our Veterans

Special Project: Raising money for all Grand Hospitals

Grand Shirt: Red and White Base T-Shirt

- There will be an order form attached to the email in July's mailing
- The shirts are made by me, so there won't be a long turn around date.

My goal for this year is to rebuild what we lost during quarantine. I want to build membership. Hopefully build a new MOCA Auxiliary, and rebuild old friendships. This year I want to implement something new. I want each auxiliary to set a new member goal, and I want to know how you are going to obtain that goal.

I do want to say this, if there is a problem with the auxiliary, please do not be scared or uncomfortable to talk to me. My phone is on at all times. You can always call, text, or email. My line officers are also here; if you have problems or concerns, please feel free to call them.

I am going to be sending out a letter to all the membership of the Grand of New Mexico. In this letter, I want to know how our members are doing, if they are being invited to the meetings, if they feel comfortable

coming to the meetings. I want to bring in our current members. I want them to feel like they are part of the MOCA. Remember my goal is to bring back members.

I do hope that we are able to get back into the hospitals again. We want to play bingo with our veterans and see them have a great time together. Well team, let us get out there, and start recruiting, volunteering, and working for our veterans.

Sincerely,
Danielle Garcia
Grand President
