THINGS MOTHERS SAY

The Illogical:

- Don't look at me with those eyes.
- Children are to be seen, not heard.
- If you keep making that face, it'll freeze that way.
- If you want to act like a child, I'll treat you like one.
- Quiet down, I can't even hear myself think.
- One day you'll thank me.
- Because I said so, that's why!

The Logical:

- As long as you're under my roof, you live by my rules.
- God gave you a brain, use it.
- Ask a stupid question, get a stupid answer.

The Sarcastic:

- Are your legs broken?
- If all your friends jumped off a bridge, would you?
- Oh, Jen's mom lets her do (Blank), fine, go live with Jen's mom ... I'll help you pack.
- Shut the door, were you born in a barn?
- Your room looks like a cyclone ran through it.
- Talking to you is like talking to a brick wall.
- Let's play the quiet game
- Someone better be bleeding.
- Where are your manners -- were you raised by wolves?

The Threatening:

- I'm not asking, I'm telling.
- When you have kids, I hope they're just like you.
- Don't you use that tone with me Mister/Missy.
- Stop crying or I'll give you something to cry about.
- You better wipe that look off your face.
- Don't make me: tell you again / come back there / turn this car around, et al.
