DARTING ASSOCIATION

NEWSLETTER

OCTOBER / NOVEMBER 1985

PRESIDENT'S LETTER

Welcome to the Dayton Darting Association's 1985-86 season.

It has been related to me that some of our players need an explanation as to raising the dues to \$20.00 this season. You'll find the Anticipated Budget in this issue of our newsletter. This budget was approved by the Board of Directors at our June meeting. Please take a few minutes to examine the statement as I believe it to be self-explanatory.

The dues this year figure to be 74 cents per member per evening of play. I cannot think of another sport with such low weekly dues.

Last year the league dues were \$10.00, but you also paid \$5.00 for the Divisional Singles Championships, \$10.00 for the League Singles Championship, a minimum of \$1.00 to try out for the Quad City All Star Team and \$6.00 for our yearly banquet. This figures to be \$32.00 if you chose to participate in these events. The divisional and league championships will be open to all appropriate members at no additional fees. The All-Star Selection Committee is working on another method of choosing our Quad City Challenge Team which will also be cost free to you. I have issued a challenge to our North Dayton members to have a North-South All Star series which will be at no charge to you. Also, \$1,500 has been allocated for our banquet. If it is possible we are going to try to cover the cost of the banquet this year.

Already we have a phone number for the DDA and have purchased a file cabinet to better organize our

league. We need to obtain a computer system in the future as well as other items to help in organizing our association.

So as you can see the \$20.00 dues charged this year are justified as far as I am concerned. I believe this year may be one of the best in the DDA's history and the fees needed to be brought up to offer a quality association.

If any member needs further explanation to increasing the dues this year please feel free to contact me or come to our Board meetings as this is the last time I want to address this issue.

There will be various raffles run by the DDA throughout the year to help defray costs of events.

On a closing note, it has also been brought to my attention that a vicious rumor is being circulated throughout the DDA. The fees were not raised to cover losses from last year! If you read the budget please note the \$1600 carry-over from 1984-85. A portion of this is Summer League money but approximately \$900 was carried to 1985-86 with ALL bills paid up to date!

TROPHYS for the summer session will be available sometime near the middle of October. Team captains will be notified when they become available.

The summer TROPHYS are as follows:

DIVISION I

FIRST PLACE- HANKS BULLS won both the first and second rounds. Of a possible 378 points at the outset of the summer, the BULLS were able to claim 270 wins with 108 losses for a 71% average. The team is captain MIKE MANTIA, co-captain GENE CRAMER, CHRIS SANDERS, STEVE CHANNELL, and MARK GRENCVAGE.

SECOND PLACE-BRUNS OUTLAWS placed second in round one, and went on to win the play-off 15-12 against Hanks Cranks who finished second in

round two. BRUNS OUTLAWS won 243 and lost 117 of the 378 points available at the beginning of the season for an average of 64%. The OUTLAWS are captain ELMER STEINER, co-captain GLEN COX, STEVE ARDEN, and ALAN RHODES.

THIRD PLACE-HANKS CRANKS actually had a higher percentage of wins than the Outlaws, but because of the two round / play-off system, placed out of the awards. The CRANKS claimed 249, gave up 111 of the 378 points of the division for an average of 66%. HANKS CRANKS are captain GARY LYKINS, co-captain DENNIS HAWS, GERI MILLER, and JIM DAVIS.

DIVISION II

FIRST PLACE-DART TRAIN won both the first and second rounds. The total summer record for the DART TRAIN is an amazing 303 wins out of 348 points with only 45 losses for an average of blistering 87%. The team is captain PAUL COOPER, co-captain DAVE FUNDIS, FRANK MOLISH, J.J. JACKSON and RON YOUNG.

SECOND PLACE-CHEERS came in second both rounds. Thier record stands at 248 wins, 100 losses for an average of 71%. The team is captain GARY ZAHN, co-captain RON BRINSON, CHARLIE BEACH, and PATTY UIERS.

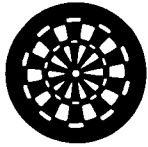

DIVISION III

FIRST PLACE- PENETRATORS won both the first and second rounds. Of 378 points, the PENETRATORS snatched 249 wins with 129 losses for a 66% share of the meat. The team is captain TED BORGERT, co-captain GARY FOLEY, JERRY TANSKY, MARK NEEDLES, and ERIC JOHNSON.

SECOND PLACE-CACTUS JOHNS DRUNKS finished second the first round but were way off pace with a 7th place finish the second round. Narrowly defeating Hanks Joints 14-13 in the play-offs, let the DRUNKS slide into the second place trophy. The

DRUNKS are captain KIETH DAVIS, co-captain CHUCK SHADE, TODD TUIITE, STEVE CLOSE, and TED ELLIS. They finished the summer batting 51% with 193 wins, 185 losses out of 378 available points.

THIRD PLACE-HANKS JOINTS were second in the last half of the summer session but lost by one point in the play-off to see thier hopes of a trophy go up in smoke. There was a protest registered by the JOINTS regarding the playing of illegal players by the Drunks, but the DDA board members voted to let the match stand as played. The JOINTS had a better average than the Drunks but lost second in the play-off. The JOINTS had a 56% victory rate claiming 210 wins and 159 losses out of 378 points. The JOINTS are captain BILL O'BRIEN, co-captain MARK SIMMONS, KIM DRAUGHN, DAN KRUZER, and TIM LUEHERS.

If you read my letter in this issue you noticed the reference to a North-South All Star Series. I have challenged our North members to play the South members for a best of three series. As it now stands each team will consist of 16 men and 8 ladies. The details are still being worked out but will be available by the time you receive your newsletter. Now is the time to contact Dave Fundis (North) or Denny Haws (South) for more information.

TOURNEMENTS

Dayton Darters Invade Las Vegas by Gene Cramer

The ladies "Lucky 16" playing out of the CUBBY HOLE, sent Mary Toney, Sue Kreuzer, Bobbie Davis and Betty Freeze. Also in the group attending the \$50,000 North American Open dart tournament at the Sahara Hotel of the Fabulous Strip, were Linda Lou Busch, Cheryl Gerhardt, Denny Gerhardt, Carl Kreuzer, Paul Cooper and Gene Cramer. Bill Nickoll Sr. was there with his lathe to repair darts if an emergency arose.

Billy Jr. and Julie Sullivan were there to complete the Dayton contingent hoping to bring home some big bucks, not to mention some casino money.

Arriving Thursday after an uneventful flight among the recent rash of plane crashes we witnessed the British dart team wip the American dart team in easy fashion 36 legs to 12 legs.

Before any thoughts of the upcoming tournament the first order of business was the annual pilgrimage to the mezzanine in the Circus Hotel / Casino to play the various carnival games, but mainly the dart booth which again threaten to put stuffed animals on the endangered species list.

Friday night was the first event, the mixed doubles 301. After three rounds all the Dayton teams were still alive, one more victory and they will be in the money round (top 32). Two Dayton teams were called against each other, Carl and Sue Kreuzer against Linda Lou Busch and Gene Cramer with the Kreuzers prevailing. Cheryl and Denny Gerhardt lost to Andy Green and Sandy Reitan. Paul Cooper and Mary Toney won their next round before going down to defeat against Nicky Virachaul and Suree Bizzell. Carl and Sue lost in their next round to finish off any Dayton hopes in that event.

Saturday brought the ladies, open 301, and Cricket doubles events. Denny and Carl threw tough darts but went in the early rounds. Paul and Gene went out early in the 301 event but made it to the top 64 in Cricket before losing to Dave Lee and Richie Gardener of England who ended up finishing in 2nd place. Ladies doubles featured Cheryl and Linda Lou but they didn't have any luck and went out early. Mary and Sue's darts were smoking in the 301 and made it to the top 8 before losing in a heart breaker to Lydia Crozier and Nancy Visokie. Julie Sullivan and Maureen Flowers earned top 8 in Cricket doubles. Later that night the group went to see a Neil Simon play "Promises Promises" with Frank Gorshin.

Sunday morning started with the Ladies and Open 301 singles events. The ladies were throwing well but the competition was tough and they went out in the early rounds. The guys didn't fare much better. Gene lost to Bob Anderson of England who threw 9 and 12 darts games finishing the games with a 170 and 109 out shots (back to the casino Geno). Paul and Carl made it to the 4th round one short of the money. Paul lost to Rick Ney in a tough match who opened with a 150 and went on to beat Paul in two straight. Carl throwing well through 3 rounds couldn't quite keep it going in the 4th round.

The surprise darter of the tournament was Lane Helgeson of St. Paul, Minnesota, unknown outside of the twin cities. In the open singles he knocked off Leighton Rees, Eric Bristow, Tom Carroll and Bobby George before losing to John Lowe in the finals.

After the staged finals Sunday night we went to the Alpine Village for an excellent German dinner then back to the casino for one last chance to win their fortune.

Dayton was tough but so was the competition but wait till next year!

TOURNEMENTS

CHICAGO BOUND

This year a storm did not hit Chicago, however, a semi-impressive number of DAYTON DARTERS journeyed there September 6, 7, and 8th for the 9th annual WINDY CITY OPEN.

After the bus DART TRAIN trip was cancelled due to lack of support, a small group got together and rented a van. Herb and Mary McIntyer, Paul Cooper, Gene Cramer, Frank "the Rock" Molish, Cheryl Gerhardt, Mary Toney and Linda Lou Busch left Friday morning from the DART TRAIN. The ride was uneventful. It seemed to take the longest time to reach the hotel from Chicago's confusing expressways. Leaving the expressway seeking surface streets, we found the hotel by drive and find; attempting to keep the hotel in site at all times.

While checking in the group was pleased to run into some old friends and former Dayton Darters - Steve and Cheryl Hippensteel and Suzette White. Another familiar DAYTON DARTER was in attendance, from Dayton to England and now living in Michigan...Frank Detman.

Other DDA shooters at the WINDY CITY were Lynn Wolfe, Mark Stratford, and Ron Brinson.

Friday night's LOTD had over 400 entries. Dave Herzel and his partner cashed in that event.

Saturday's CRICKET doubles saw Paul Cooper and Frank Molish reach the top 64. Saturday night the Dayton team of Paul Cooper, Gene Cramer, Dave Herzel, and Frank Molish hung in for a top 32 finish. Meanwhile the ladies went out on the town for a fabulous Chinese dinner and the 20 cent, two hour tour of the Chicago south side. The tour was actually a quick beer run. Arriving back at the hotel a hour late we held a surprize birthday party for Mary McIntyre. Being late was no problem as the guest of honor was with us. Another DAYTON DARTER, Rick Praner joined the festivities.

Called first on Sunday morning on board 9 was the unusual triples team of Jesus, Mary, and Joseph. (Linda Lou's 2nd favorite expression.) The first being "I'll knock you into next week." Every one including Linda LOU was tired of it by Sunday night. F.O.A.D. pronounced foyd was a favorite expression of another DAYTON DARTER.

Due to the lateness of the hour and everyone being out of the running, the Dayton contingent departed before the finials were shot. Results to follow in the next editon. The WINDY CITY OPEN was great fun but not very profitable for the DAYTON DARTERS.

Gene Cramer shot a T-80 during his 501 singles, and also placed in the top 64. Paul Cooper placed in the top 32. Dayton brought a few bucks home.

Tournament Travel Tips
by Linda Lou Busch

Interested in going to a big dart tournament? Think you can win some of the big money available? Sure you can! Here are some tips for tournament travelers - new and not-so-new.

Choosing the tournament:

1. Obtain an ADO calendar and check the dates of the tournaments you are interested in.
2. Check the dates out at work to make sure you can get the time off; in case you need to take off early on Friday to make LOTD or wish to take Monday off to recuperate (a wise idea in many cases).
3. Making reservations early is a must! A month is usually enough time. If you pay by check for the first night or guarantee it with a credit card your room will be held in case you arrive after 6:00 pm.
4. Some tournaments are close enough to commute to, but if you plan to do so remember not to party

too hardy. The price of a hotel room is not much especially when you compare it with the cost of a D.W.I.

5. Sharing a room is another consideration. Pick someone reliable and compatible. Don't overfill your room. More than 4 or 5 people make a great party but that's alot of people to shower and get ready for the first event of the day. Too many to get ready means you have to get up that much earlier.

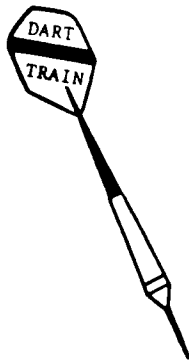

6. Some tournament room rates are better than others. This may determine your choice of tournaments.

*** 2 tournaments coming up soon are

Indianapolis Open Oct. 25, 26, 27
and the Queen City Open at Kings Island Nov. 8, 9, and 10.

Money is a major consideration!

1. Plan enough in advance so that you can save up plenty of cash.
2. Figure your expenses so you aren't short of money in case of

emergency. The hotel rates and entry fees are listed on the flyers, which can be found at other tournaments, dart stores or at local dart bars. Also the number to call for reservations will be on the flyers.

3. Meals cost a bundle at hotels and there is not always a McDonalds nearby. One way to cut expenses and still be able to eat is to pack a cooler with food and beverages. Be careful when taking your own drink into the dart hall as you can be thrown out of the hall and you will forfeit the entry fees you have already paid if you are caught.

4. Keep your copy of your entry form - in case your entry is omitted and to collect your prize money.

5. Take a good amount of dart supplies to insure you have the type of flights and shafts you prefer to shoot with. Supplies may cost you more at a tournament than at your local supplier.

6. Above all take all your valuables with you when you leave your hotel room. This includes ID, credit cards, cash, jewelry and cameras.

Another wise tip. Don't set your darts down at a tournament. If you must leave your darts give them to a friend to hold. Darts are valuable and easy to rip off if you are a trusting soul.

ATTENTION!!!

SKIDDLES has changed its name to COTTON-EYED JOE'S. It is still in the same place and it still has 10 dart boards and it still has a saturday LOTD... it just has a new name.

COTTON-EYED JOE'S

The BIG saturday LOTD kick-off at SKIDDLES on September 14, saw 60 people throw their name into the pot. It was amazing how smoothly things ran considering the number of people involved. The results are
1st-Carl Kruezer / John Miller
2nd-Paul Cooper / Sue Takacs
3rd-Dave Fundis / Greg Schuyler
4th-Frank Molish / Charles Lochardt

Bob Sugg won the T-80 pool on his second throw of the first game, his first throw was a T-40!

HANKS

There are now two lucky sixteen tournaments being thrown out of HANKS PUB, Sunday at 6:00 and Tuesday at 8:00. Ed Conduff is the coordinator for both.

The four top point getters out of these two events will win a trip to Las Vegas, to play in the \$125,000+ WORLDS LARGEST DART Tournament, December 5th-8th at the HACIENDA HOTEL. Now that's really something to shoot for.

Ed is trying to make these LUCKY 16's an on going thing, so that many different DAYTON DARTERS get a chance to go to these major tournaments. There is a LUCKY 16 in Cincinnati that has been going on for nearly six years. So why not get in touch with Ed Conduff and find out when you can get into one of these great events.

The Friday night couples league has just ended with Jeff and Barbara Cost winning first place. Bobby Hurt and Debby Kapner second and Bob (a.g.) and Julie Jackson coming in third. The entire league celebrated at Elsa's with a big dinner and drinks for all.

A new COUPLES LEAGUE will start on Saturday Oct. 5th. Mark Grencavage will be acting as coordinator. It will be called Hanks Christmas Money League and will be over Dec. 14th. 100% payback. For more information and to sign up see Mark Grencavage, Hank or Mike Mantia.
