

Our Commitment to Biblical Studies 2 Timothy 2:15

DBI offers online audio lecture courses in books of the Bible and many related biblical subjects.

Our institute is affiliated with Trinity College of the Bible in Newburgh IN, the pioneer of theological distance learning, who for nearly half a century has trained thousands of students around the world. All audio lectures have been done by qualified faculty who are experts in their field.

Each completed course will earn a certificate of completion. Eight courses will earn the student a teacher certification recognized by both Trinity and DBI. If you desire a college degree, you can complete 16 courses and earn an Associate Degree in Biblical Studies from Trinity.

DBI currently offers 31 online, audio courses with additional courses added regularly. In addition to these, we offer both non-degree workshops, traditional courses on campus, and special events to help with your pursuit of a degree and personal bible study.
