Client: Sears Holdings Corp. (*Hoffman Estates, IL*)

Project Manager: Jim Bax

Project Superintendent: Joe Gill

Project Description: In the Summer of 2013, Sears Holdings Corp. hired J.Gill to perform concrete repairs to the North Parking Structure. The repairs included over 4000 SF of partial depth concrete replacement using Latex Modified Concrete. Over 130 Precast Connections were removed and replaced with galvanized steel angles. Concrete Repairs were also done on the vehicular bridge and the pedestrian stairway in the east courtyard of the Sears property. The project was completed in Nov. of 2013 with a completed contract value of over \$352,000.
