Ambassadors' Visit

We were honoured to showcase the work we do at Prairie Gleaners to three distinguished guests who visited our facility in early October. Their Excellencies, Ambassador Balint Odor of Hungary, Ambassador Kali Pokhrel of Nepal and Janice Miller, High Commissioner of Jamaica are shown below with our Board President viewing some of the donated produce on hand in our facility cooler. Considering the current refugee crisis in Europe and the recent earthquake in Nepal the availability of Gleaners food aid was quite relevant to the Ambassadors of Hungary and Nepal.

A gift for those who are blessed - to bless others

We all know people who are difficult to buy for at Christmas time, because there isn't much they need or want. May we suggest a gift of food *In Honour* of that person. It works like this; you could make a donation of \$100 to Prairie Gleaners, which is the cost to produce 2000 meals. We would then provide you with a card to give to the person in lieu of a gift. Inside the card the wording would be as follows:

MERRY CHRISTMAS !

A gift towards food production is helping to provide life-giving nutrition to those in need around the world. A donation to Prairie Gleaners Society has been made for this purpose in honour of persons name,
by your name

Contact us by e-mail (see below) or pick up a request card at the plant for an *In Honour* gift.

Annual Harvest Supper & Fundraiser

We enjoyed another great turnout at our annual Harvest Supper at the end of September. This is our opportunity each year to experience a bowl of Gleaners soup. **THANK YOU** to all our volunteers and supporters who give of their time and finances to allow production to continue each year.
