A Midsummer Night's Dream Rehearsal Schedule for June 6-25, 2022

Please read everything very carefully. You are responsible for being at the rehearsals ready to begin at the exact time you are called. Shoot for 15 minutes prior to the start time, in order to be fully ready to go. We will stick as closely as possible to the schedule. There are times, however, when we need to adjust times a bit.

Note: Always bring plenty of water, and please dress comfortably, ready to move. This is a fast, fun, physical show.

Note II: We are going to have a few different dances in the show, and we are coordinating times to learn those dances. These times/days MAY be added to this schedule. We will keep you updated as soon as we work out the details with our choreographer.
