

ASSOCIATION OF TEACHERS IN BIOLOGICAL SCIENCES (ATBS)

C/O Homi Bhabha Centre For Science Education,
Tata Institute of Fundamental Research, V.N. Purav Marg, Mankhurd, Mumbai- 400 088
E-mail : iatbsmum@gmail.com

APPEAL FOR MEMBERSHIP

Objectives: The objectives of ATBS are

- To upgrade the quality of teaching and learning in Biological Sciences at all levels- both inside and outside the educational system.
- To bring teachers of various disciplines of Biological Sciences under one academic forum.
- To explore and nurture talent with a view to promote excellence in Biological Sciences.

Activities: The proposed activities of ATBS will include

- (a) Preparing quality teaching materials like books, monographs, models, and audio-visuals pertinent to various disciplines under Biological Sciences.
- (b) Organising workshops, seminars, orientation programmes, conferences, etc. for primary, secondary, higher secondary and University teachers in Biological Sciences.
- (c) Contributing to the National Olympiad programme in Biology.
- (d) Popularising, creating interest and spreading awareness in Biological Sciences using mass media, organizing exhibitions, field trips, etc.
- (e) Co-ordinating with other National and International organizations sharing similar objectives.
- (f) Identifying the research areas and designing projects for students at various levels of study in Biological sciences.
- (g) Creating and updating the information/ data regarding the special talents, expertise and interests of the members of ATBS in a view of extending services of ATBS to outside agencies for purpose such as evaluation of research works, reviews, translation and providing resource persons for field trips, workshops and other special programmes.
- (h) Exploring and giving recognition/ awards to the meritorious teachers and researchers at different levels.
- (i) Contributing to the development of curricula and courses, modules and protocols, etc. for advancement of Biological Sciences.
- (j) Establishing a close liaison with National Research Institutes and Industries related to Biological Sciences, and
- (k) Undertaking such other tasks as may be in conformity with the objectives of IATBS.

To be able to carry out these activities we need to have a large number of life members and institutional members. We appeal to you to become members and persuade other persons and institutions to become members by one time payment of life membership (Rs. 1000/-) or Institutional Membership (Rs. 10,000/-).

Dr. Madan Mohan Chaturvedi,
President, ATBS,

Dr. Sasikumar Menon
General Secretary, ATBS,
