Step 2: Medical History

Complete the questionnaire; this will create the medical release card. Click Submit

Step 3: Parent/Guardian Information

Fill in the boxes and make sure all information is complete and accurate. Click Submit

Step 4: Signatures

Parent(s): Read each box and type first and last name for parent signature. Student: Read each box and type first and last name for student signature. Click Submit

You will receive a message stating that you have completed the registration for your student-athlete to participate in the athletics program. This does not mean your online registration is cleared, this means that you have started the process.

To add more than one sport for the school year, the system will ask if you would like to apply this Clearance to any additional sports. Select all other sports that you give your student-athlete permission to participate in during the school year. Once you've chosen the additional sports, click the box that states you acknowledge that your electric signatures will be applied to all selected.

Click SUBMIT

Step 5: Donations

This page will be blank and deactivated

Once the Assistant Principal for Administration has reviewed the packet, you will receive an email stating that your student-athlete is either approved or denied to participate in athletics
