

Doggy Digs Field Terms and Conditions  
By Entering this field, you confirm your agreement to the terms and conditions of rental

**Pricing**

£8.55/hr for a maximum of 5 dogs

**Accessing the field**

Please do not arrive any earlier than your allocated time. The 15 minute gap in between bookings is to allow enough time for people to get dogs back in car and leave before the next person arrives. It also gives me time to go and check the equipment if I need to. Please ensure that you leave the field promptly at the end of your allotted time

**Parking**

Park in the little grass lane between the chicken pen and field. The ground should be hard enough and the gate will be unlocked. If you have any concerns about this over winter, please contact me and I will arrange alternative parking. Kindly do not park on the main lane or on the hard-standing opposite (adjacent to the green barns) as this does not belong to us. Please ensure you close all gates properly before departing.

**Equipment/Fencing**

Feel free to use any of the agility equipment. I change the water in the pool every couple of days. If your dogs don't like getting in and you want them to cool off, there is a hose for you to spray them down if you want to or fill a bowl for them to drink from (Just remember to turn the tap off). If you bring children with you, please do not allow them to climb on the equipment or swing on the gates. Any damages will need to be paid for. Although we make every effort to secure the field and inspect and maintain the fence regularly, holes or other damage to the fence may occur for time to time due to digging by dogs or other animals, falling branches and general wear and tear. Please contact me as soon as possible if you notice any problems with the field/equipment so I can fix as soon as possible. We cannot, however, take responsibility for any dog escaping the field whether this is through a defect in the fence and regardless of whether we have notified you in advance or not.

**Waste**

We ask that you pick up after your dog and dispose of in metal bin by gate. Please only dispose of dog waste, not personal waste.

**Payment**

In advance via PayPal. The gate will only be unlocked once payment has been received. **Cancellations of less than 48 hours will incur the full charge.**

**Use is at your own risk**

You agree that the use of the field is entirely at your own risk and agree not to hold Doggy Digs responsible for any injury to you, your family/friends or your dog(s), arising from your use of the field. The field contains areas of uneven ground which could be concealed under long grass and has overhanging branches.

You agree not to let anyone into the field other than friends or family you have brought with you. By bringing anyone else to the field, or sending somebody in place of you, you agree that you take full responsibility for their safety and for ensuring they abide by these terms and conditions.

You confirm that you carry third party insurance cover for any damage or injury caused by your dog(s) to the fencing or to persons (this is usually part of your pet insurance policy).

The field is covered by CCTV
