## Advertise for FREE using a Face Book Page

Glorybound Publishing will build a FaceBook Page for your and/or your company adding essential information and pictures. FaceBook is a world wide web organization by Google. It provides social media to everyone free of cost. FaceBook receives money by selling ads on side pages of the programs and games which are offered.

It is possible to purchase an ad on FaceBook which targets your local area or population group, however it is not necessary to purchase ad space on FaceBook to get your message out. As a service of FaceBook they offer individuals, groups, organizations and companies opportunity to open a FaceBook Page. Nearly anyone can have a FaceBook Page. Many families use a FaceBook Page to share pictures and new of family events. It is not necessary to own a business or a religious organization.

### *What is Needed to initiate a FaceBook Page.*

- Individual has to open an active FaceBook Account or personal FaceBook Page in order to initiate a public one.
- Have an e-mail address (Yahoo or gmail is OK)
- Pictures
- Information related to the subject

**\$25.00**

### **Information:**

Privacy parameters can be set on the FaceBook Page to allow specific individuals access and/or control of the Page. It is quite OK to refer to main web sites and/or personal emails as needed. Sales can be conducted through an added tab set when a Shopify account is initiated.

Price includes a 30 min sit down session with a Graphic Artist. FB Page will be complete at the end of the session and accessible to the world!
