

Hello!

I'm Katie Reding. Most of you know me as Katie Gerwitz! I have been a member of YRHA for going on 10 years now!

I didn't grow up with horses. I purchased my first trail horse out of high school and knew how to hop on and go. When I first heard of Reining I thought it was another day off of work (I own a landscaping business. Ha!) How wrong I was! I fell in love with Reining when I saw it at the Fair the summer of 2009 and didn't take my first lesson until December of that year. I mean very first lesson...ever. I didn't even know what a lead was when I started. Believe it!

I am a previous Director for the club and have helped out with a handful of committees and fundraisers here and there too! Last year I wasn't around as much because of starting a family! I'm just adding to the future members of the club!

I am hoping for another opportunity to be a Director again and to get back into helping grow the club!

Thank you for your consideration.
