*Light Up A Life*

Dear Friends of Hospice,

For the past 20+ years, we have had a tree lighting ceremony on the first Thursday in December to Honor/Remember our loved ones. This has been our primary fundraiser that allows us to continue supporting Hospice care and related end-of-life needs as well as bereavement services.

Unfortunately, life has changed for all of us due to Covid-19. To assure the safety of all that participate in our tree lighting, we have made the decision to have a virtual tree lighting. Our board members will hang the individual stars with your loved one's name on it and you can watch remotely. You just need to give us your email address so we can send you a link to watch the Light Up a Life on Facebook or YouTube.

We hope you will continue to support Friends of Hospice, which is a volunteer non-profit organization, with your tax-deductible gift to support your neighbors in their time of need.

Sincerely,

*Pat Diorio*
