Roos & Joeys	You may have heard of “Mommy and Me” or “Moms and Tots” classes. This is the same concept, but with a name inclusive of the dads, grandparents, or other caregivers that may want to join in the fun. ‘Roos & Joeys class is an enjoyable way to interact and bond with your little “Joey” as they are exposed to rhythm, movement, coordination, as well as the social protocol of a “classroom” setting. ‘Roos & Joeys class is also a great introduction to music and dance for children who plan to eventually enroll in pre-K dance lessons. Children must be walking to enroll in the class.
Music FunTime	The Music Fun Time curriculum is specially designed to teach young children music theory, including reading music and basic piano performance in an individualized, small group setting.
