WAYS AND MEANS—Diane Randolph

Note from Diane: I have nothing new to report so I decided to share an email that was sent to me by a friend about Bob Hope. Hope you get a smile from this.

This is a tribute to a man who made a difference.

Bob Hope, on his deathbed they asked him, where he wanted to be buried.
He replied: "Surprise me".

I had forgotten that he lived to be 100 and didn't realize it has been over 15 years since he died.

CHAPLAIN—Ginny Wisley

*“And Jesus entered the temple & cast out all those who were buying & selling in the temple & overturned the tables of the moneychangers & the seats of those who were selling doves”
Matthew 21:12*

Is anyone else ready for a hissie fit? I sure am. I think I have found that last nerve & just about everything is on it. A dear friend of mine that I quote frequently, uses her Christianity in a “covert” way, humor, said that that Jesus found His at the temple. Life is give & take. Of late, it is mostly “take”, it seems.

We must remember, sometimes, that we must draw our line in the sand, stand for what is right, stomp your feet, find your soapbox to stand on, shout at the top of your lungs, throw a lightning bolt or two.

Enjoy your hissie fit. This too shall pass. God knows it needs to.

CONSERVATIVE-FRIENDLY SOCIAL MEDIA SITES

In last month’s NEWS.Bulletin we shared some positive, alternative sites to some of the very biased, anti-conservative social media sites such as Twitter, Facebook, Google, and Amazon. This is a continuation of several sites that you can view and not lose your mind over negativity or conflict with what we believe in! We encourage you to view them and fill your minds with positive, uplifting articles.

It is true that there is an enormous SILENT MAJORITY and these sites will confirm that there are MILLIONS of us out there who support President Trump and his reelection this year!

Facebook: American Women for Trump, California for Trump, Scott Presler (The Persistence)

Alternative to Facebook: **All-new USA.Life pro-Trump social media platform, which dubs itself as the “answer to Facebook and Twitter censoring Christians, conservatives and liberty.”**

TRIBUTE TO HERMAN CAIN — 12.13.45 to 7.30.20

Herman Cain, American businessman and former Republican candidate for president, has died after being hospitalized with COVID-19 for nearly a month, according to a post on his personal website and a source close to the White House to ABC News.

"You're never ready for the kind of news we are grappling with this morning. But we have no choice but to seek and find God's strength and comfort to deal with it," staffer Dan Calabrese wrote in an obituary posted on HermanCain.com Thursday. "Herman Cain -- our boss, our friend, like a father to so many of us -- has passed away." "Although he was basically pretty healthy in recent years, he was still in a high-risk group because of his history with cancer," the post continues. "We knew the time would come when the Lord would call him home, but we really liked having him here with us, and we held out hope he'd have a full recovery."

Note from Waskah: Herman Cain was great. At the Kansas City NFRW Convention in 2016 he was the speaker....the only GOP Presidential candidate that showed up!
