**ARTICLE II
PROPERTY SUBJECT TO THIS DECLARATION
AND WITHIN THE JURISDICTION OF THE
TOWNES AT CARLTON POINTE HOMEOWNERS ASSOCIATION, INC.**

Section 1. Existing Property. The real property which, at the time of recording of this Declaration, is and shall be held, transferred, sold, conveyed, and occupied subject to this Declaration, and which is within the jurisdiction of the Association, is described on **Exhibit A** attached hereto.

Section 2. Annexation of Additional Property. At any time prior to December 31, 2047, any land may be annexed by the Declarant without the consent of the Members and therefore become subject to this Declaration by the recording by Declarant of a plat showing such property to be annexed and of a supplementary declaration extending the operation and effect of this Declaration to the property to be annexed. Any property annexed pursuant to this subsection may be annexed and subjected to this Declaration as one parcel or as several parcels at different times. The addition of such property pursuant to this Section may increase the cumulative number of Lots within the Properties and, therefore, may alter the relative maximum voting strength of the various types of Members.

A supplementary declaration may contain such complementary additions to and modifications of the covenants and restrictions contained in this Declaration, including, without limitation, different voting rights and different annual and special assessments for the Lots or Units so annexed, as Declarant, in its sole discretion, may deem necessary or appropriate to reflect the different character or use of the property added. In no event, however, shall any supplementary declaration revoke, modify or add to the covenants and restrictions established by this Declaration so as to materially and adversely affect any portion of the Properties already subject to this Declaration. A supplementary declaration annexing additional property need only be executed by the Declarant and, if applicable, by the owner of the property being annexed, and shall not require the joinder or consent of the Association or any of its Members.

Nothing contained in this Article shall be construed to obligate or require Declarant to make any additions to the Properties.

Section 3. Annexation of Additional Property by Members. The Association may subject any contiguous property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Owners representing at least sixty-seven percent (67%) of the votes of the Association represented at a meeting duly called for such purpose, and the consent of Declarant during the Development Period. The additional property shall be annexed by the recording by the Association of a plat showing such property to be annexed and of a supplementary declaration extending the operation and effect of this Declaration to the property to be annexed.

Section 4. Conveyance of Common Area in Annexed Property. Promptly upon request of Declarant, the owner of the annexed property shall convey any or all Common Area located within

the newly annexed property to the Association or, if requested by the Declarant, to the Declarant. Title to such Common Area shall be conveyed in the same manner as set forth in Section 3 of Article IV of this Declaration.

Section 5. Merger. Additional property may also be made subject to this Declaration by merger or consolidation of the Association with another *non-profit* corporation formed for the same or similar purposes in accordance with the provisions of Section 2-121 of the Act. The surviving or consolidated association shall administer the covenants and restrictions established by this Declaration within the Properties and the covenants and restrictions established upon property owned by the other association as one scheme. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

Section 6. Effect of Addition of Property. Except by amendment of this Declaration as provided in Section 2 of Article XII hereof, no addition of property, whether by annexation, merger or consolidation, shall revoke or modify any provision of this Declaration as to the Properties already subject hereto or diminish the rights of the Owners of Lots and Units within the Properties, except for the dilution of voting strength that occurs as a result of inclusion of additional Members of the Association.

Section 7. Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article for the purpose of removing any portion of the Properties then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Subdivision, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Subdivision.

Section 8. Good Faith Lender's Clause. Any violation of these covenants, conditions or restrictions shall not affect any lien or deed of trust of record held in good faith, upon any Lot or commercial Unit, which liens may be enforced in due course, subject to the terms of this Declaration.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Declarant and every Owner of a Lot which is subject to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

Section 2. Voting Rights. The voting rights of the membership shall be appurtenant to the ownership of the Lots.

There shall be two (2) classes of membership with respect to voting rights:

(a) Class A Members. Class A Members shall be the Owners of all Lots except those owned by the Class B Member (as hereinafter defined). When more than one person owns

an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to their Lot shall be exercised as they, among themselves, determine; but fractional voting shall not be allowed, and in no event shall more than one vote be cast with respect to any Lot. Class A Members shall be entitled to one (1) vote for each Lot owned. Lots owned by Class A Members shall be "Class A Lots".

(b) Class B Member. The Class B Member shall be the Declarant. Subject to the provisions of this subsection, Declarant shall be entitled to nine (9) votes for each Lot that it owns (each such Lot being a "Class B Lot"). Assessment of Lots owned by the Declarant is governed by the provisions of Article V of this Declaration. Upon expiration of the Declarant Control Period, Declarant shall have one vote for each Lot that it owns; however, such Declarant-owned Lots shall continue to be treated as Class B Lots for assessment purposes.

Section 3. Declarant's Right to Appoint Directors and Officers of the Association. Notwithstanding any other provision of this Declaration or the Bylaws, until the expiration of the Declarant Control Period, Declarant may, in its discretion, appoint and remove all of the directors and officers of the Association. Declarant's intent to exercise or continue to exercise that right may be set forth in the notice of each annual meeting of the Members. See §47F-3-103(d) of the Act.

Section 4. Vacant/Leased Dwellings. If the Owner of a Lot ceases to occupy the Dwelling constructed thereon as his own personal living quarters or if any Dwelling within the Properties is leased for rental purposes to tenants, the vote as expressed by the Owners of such vacant and rental units shall not be entitled to any weight greater than forty-nine percent (49%) on any matter pending before the Association. This Section applies only to Lots and Dwellings owned by a Class A Member and specifically excludes Lots and Dwellings owned by the Declarant.

ARTICLE IV PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment and Access. Except as limited by Section 2 of this Article IV and by rules and regulations adopted by the Members and/or the Board of Directors, every Owner shall have a right and easement of enjoyment in, use of and access to, from, and over the Common Area, which right and easement shall be appurtenant to and shall pass with title to every Lot. These rights are subject to:

(a) the right of the Association to charge reasonable admission and other fees for the use of any facilities situated or constructed on the Common Area and to limit the use of such facilities to Owners who occupy a residence on the Properties and to their families, tenants and guests, as provided in Section 2 of this Article IV.

(b) the right of the Association, after notice and an opportunity to be heard, to suspend the voting rights of an Owner and the right of an Owner to use Common Area and facilities thereon for any period during which any assessment against his Lot remains unpaid for a period of thirty (30) days or longer, or for a period not to exceed sixty (60) days for any infraction of the

published rules and regulations of the Association, provided, however that the Association may not suspend an Owner's right to use any Common Area providing access or utilities to his Lot.

(c) the right of the Association to dedicate, sell or transfer all or any part of the Common Area to any public or quasi-public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members. No such dedication or transfer shall be effective unless the Members entitled to at least 80% of the votes of the entire membership of the Association and Declarant, during the Development Period, agree to such dedication, sale or transfer. Nothing herein shall be deemed to prohibit the Board, without consent of the Members, from granting easements over and across the Common Area to any public agency, authority or utility for the installation and maintenance of sewage, utility (including cable television) or drainage facilities when, in the opinion of the Board, such easements are necessary for the convenient use and enjoyment of properties within the Subdivision. Nothing herein requires reciprocal easements among Members that would require joinder of any Member in a conveyance or acquisition of any public easement. Notwithstanding anything herein to the contrary, the Common Area shall be preserved for the perpetual benefit of the owners of Lots within the Subdivision and shall not be conveyed except to a governmental entity or another non-profit corporation organized for similar purposes.

(d) the right of the Association, with the assent of Members entitled to at least eighty percent (80%) of the votes of the entire membership of the Association to mortgage, pledge, deed in trust, or otherwise encumber any or all of its real or personal property as security for money borrowed or debts incurred, provided that the rights of any such lender or mortgagee shall be subordinate to the property rights of the Owners as set forth herein.

(e) the right of the Association to exchange all or part of the Common Area for other property and consideration of like value and utility, provided, however, that any such dedication shall require the assent of the Declarant and the Members as set forth in subparagraph (c) above, and further provided that, if the Board determines, in its sole discretion, that such exchange is necessary to cure an encroachment or setback violation on any Lot, the Board may effect such exchange without the consent of or approval by the Members.

(f) the right of the Association to open the Common Area and, in particular, the recreational facilities constructed thereon, for use by non-members of the Association.

(g) the right of the Association to expand or add to the Common Area and to improve, maintain and operate the Common Area.

(h) the right of the Association to adopt, promulgate and enforce rules and regulations concerning the use of the Common Area.

(i) the right of the Association to otherwise deal with the Common Area as provided in the Articles of Incorporation and Bylaws of the Association.

Section 2. Delegation of Use.

(a) Family. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be exercised by members of the Owner's family who occupy the residence of the Owner within the Properties as their principal residence in Wake County, North Carolina.

(b) Tenants. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be delegated by such Owner to his tenants or contract purchasers who occupy such Owner's Unit, or a portion thereof, as their principal residence in Wake County, North Carolina.

(c) Guests. The right and easement of use and enjoyment granted to every Owner by Section 1 of this Article may be delegated to guests of such Owners, tenants or contract purchasers, subject to such rules and regulations as may be established by the Board of Directors.

(d) Suspension of Rights. The rights of any delegate or assignee of an Owner shall be suspended by, upon and during suspension of such Owner's rights as provided in Section 4 of Article XII of this Declaration.

Section 3. Conveyance of Common Area to the Association. No later than the expiration of the Development Period, Declarant shall convey, and the Association shall accept, fee simple title to all Common Area within the Properties, and shall reserve for or grant to the Association all Common Area easements, all subject to such easements, reservations, conditions and restrictions as then may be of record, and the Association shall accept all such conveyances, grants and reservations, provided, however, that during the Development Period, Declarant reserves an easement over and across any Common Area deeded to the Association for the purpose of constructing and maintaining any improvements on the Common Area as it deems necessary or advisable, provided that any such improvements must comply with the requirements of the appropriate governmental authority. Any improvements placed on the Common Area by Declarant shall become the property of the Association upon completion of such improvements.

Section 4. Regulation and Maintenance of Common Area and Common Area Easements. It is the intent of Declarant that the Common Area (whether owned in fee or by easement) be preserved to the perpetual benefit of the Owners within the Subdivision. To that end, the Declarant, by recording any plat or map of any phase or section of the Subdivision, grants to the Association an easement over and across that portion of any Lot within such phase or section on which a Common Area Easement lies for the purpose of enabling the Association to take action permitted by subsections (b) and (c) of this Section 4.

(a) Rights and Responsibilities of the Lot Owners. Each Owner of a Lot upon which a Common Area Easement lies shall pay all property taxes and other assessments levied against his Lot, including that portion of such tax or assessment as is attributable to such Common Area Easement. Notwithstanding any other provision of this Declaration, no Owner or other person shall, without the prior written consent of the Association: (1) remove any trees or vegetation from Common Area; (2) erect gates, fences, buildings or other structures on any Common Area; (3) place any garbage receptacles on or in any Common Area; (4) fill or excavate

any Common Area or any part thereof; or (5) plant vegetation on or otherwise restrict or interfere with the use, maintenance, and preservation of any Common Area.

It is the intent of the Declarant that a Common Area Easement shall be maintained in the same state as when the Lot upon which such easement lies was conveyed to an Owner (other than the Declarant), except for changes authorized or approved in writing by the Declarant or the Association. If an Owner of a Lot on which a Common Area Easement lies fails to maintain the easement area as provided herein, whether by act or omission, the Association shall have the right to enter upon such Owner's Lot for the purpose of maintaining same and shall have the right to charge such Owner with the costs of such maintenance, which costs, if not paid within thirty (30) days after demand for payment is made by the Association, shall be collected in the same manner and shall incur the same late charges, interest and costs of collection as set forth in Section 7 of Article V of this Declaration.

(b) Rights and Responsibilities of the Association. The Association shall have the right and obligation to ensure that the Common Area (including Common Area Easements) is preserved to the perpetual benefit of the Owners and, to that end, shall: (i) maintain the Common Area in its natural or improved state, as appropriate and in compliance with the Zoning Conditions, and to keep it free of impediments to its free use by the Owners, subject, however, to easements of record and any limitations on such use provided in this Declaration or rules and regulations adopted by the Association as provided herein or in the Bylaws; (ii) procure and maintain adequate liability insurance covering the Association and its Members against any loss or damage suffered by any person, including the Owner of the Lot upon which a Common Area Easement lies, resulting from use of the Common Area; and (iii) pay all property taxes and other assessments levied against all Common Area owned in fee by the Association.

(c) Declarant and Association's Right of Entry for Maintenance of Common Area Easements. The Declarant and Association and its employees, agents, contractors and subcontractors shall have a nonexclusive right and easement at all times to enter upon any portion of a Lot reserved or designated as a Common Area Easement, and any other portion of the Lot to the extent necessary to gain access and maintain improvements and facilities within the Common Area Easement, and no such entry shall be deemed a trespass. To the extent practicable, the Association shall give reasonable oral notice to the Owner or occupant of such Lot.

(d) Stormwater Facility Maintenance. The Properties include a Stormwater Facility that is the perpetual responsibility of the Association. Such Stormwater Facilities are subject to the Town of Rolesville Code and is binding on the Association. The Facilities, associated easements, and stormwater notes are or will be shown on a plat(s) recorded with the Wake County Register of Deeds. The Property subject to the above section of the Town of Rolesville Code is the "Property" referred to in this Article. The Stormwater Facilities must be maintained in accordance with the Town Requirements, which include all ordinances, policies, standards, and maintenance protocols. Immediately upon taking title or ownership of any property or assets within the Subdivision, the Association shall sign the Wake County Financial Responsibility Form accepting responsibility for all property and assets owned by the Association.

ARTICLE V
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner, by execution of this Declaration or by acceptance of a deed or other instrument conveying title to a Lot, whether or not it shall be so expressed therein, is deemed to consent and agree to pay to the Association (or to any Person who may be designated by the Association to collect such monies) all assessments and other charges required by this Declaration, including the following: (1) annual assessments; (2) working capital assessments; (3) special assessments; (4) fines for violations of the provisions of this Declaration or other Governing Documents or assessments levied against Owners for misuse and damage to the Common Areas by the Owners or their family members, tenants, agents, contractors and guests; (5) individual assessments for any expense under the Code or this Declaration which the Association becomes obligated to pay and pays on behalf of an Owner; (6) late payment charges, interest on unpaid assessments, costs of collection, including without limitation, court costs, service charges, and attorney's fees as provided in the Act, and charges for dishonored checks; all as established by the Board from time to time; and (7) all other assessments and charges imposed or allowed to be imposed by this Declaration.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Subdivision and, in particular, for: (i) acquisition, improvement, and maintenance of properties, services and facilities related to the use and enjoyment of the Common Area; (ii) maintenance, repair and reconstruction of the Common Area and improvements thereon, including, without limitation, the cost of repair, replacement and additions thereto and the cost of labor, equipment, materials, management and supervision thereof; (iii) maintenance of Lots and the exterior of Units, as provided in Article VI hereof; (iv) payment of taxes and public assessments levied against Common Areas owned by the Association in fee; (v) procurement of insurance; (vi) employment of attorneys, accountants and other persons or firms for Association business; (vii) payment of principal and interest on funds borrowed for Association purposes; and (viii) such other needs as may arise.

Section 3. Maximum Annual Assessment. Until December 31, 2022, the Annual Assessment shall be One Thousand Eight Hundred Dollars (\$1,800.00) for each Class A Lot. The Annual Assessment for each Lot owned by a Builder shall be 25% of the Class A Lot assessment. The Annual Assessment for Class B Lots shall be zero. Beginning on January 1, 2023, and on January 1 of each year thereafter, the Maximum Annual Assessment shall automatically increase by ten percent (10%) over the Maximum Annual Assessment for the previous year. The Annual Assessment may be lower than the Maximum Annual Assessment but the Annual Assessment may not be higher than the Maximum Annual Assessment without a formal amendment to this Declaration.

The provisions of this subsection shall not apply to, nor shall they be a limitation upon, any change in the annual assessment or the Maximum Annual Assessment incident to a merger or consolidation as provided in §47F-2-121 of the Act.

Section 4. Date of Commencement of Annual Assessments; Amount of Assessments; Ratification of Budgets. Unless a different commencement date is set by the Board of Directors, the annual assessments provided for herein shall commence as to a Lot on the first day of the month after the Lot is subjected to this Declaration.

Subject to the provisions of this Section, the Board of Directors may fix the annual assessment for Class A Lots at any amount not in excess of the Maximum Annual Assessment in effect for the appropriate assessment year. The annual assessment for Class B Lots shall be zero, provided, however, that any Lot which contains a dwelling occupied by any person as a residence shall be assessed at the Class A rate. Unless a lower amount is set by the Board of Directors, the initial annual assessment shall be the "Maximum Annual Assessment" set forth in Section 3 of this Article and shall be prorated according to the number of days remaining in the calendar year. Annual assessments shall be fixed at a uniform rate for all Lots in each Class and may be collected on a yearly, semiannually, quarterly, or monthly basis, as determined by the Board of Directors. Any monies paid at any time by the Declarant for common expenses or otherwise for or on behalf of the Association shall be credited against past or future assessments due from the Declarant, if any, or shall be repaid to Declarant within thirty (30) days of written request for payment.

The Board of Directors shall adopt a proposed budget for the Association at least annually. Within thirty (30) days after the adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget to the Members and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than ten (10) days nor more than sixty (60) days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members. There shall be no requirement that a quorum be present to vote on ratification of the budget (although a quorum must be present to vote on other matters). The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget; provided, however, if the budget provides for an annual assessment per Lot not in excess of the Maximum Annual Assessment in effect for that Fiscal Year of the Association, such budget shall be deemed ratified unless Members having at least eighty percent (80%) of the votes of the entire membership vote to reject the budget. If any proposed budget is rejected by the Members, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board.

The Association shall, upon demand and for such reasonable charge as the Board may determine, furnish a certificate signed by an officer of the Association, or the management company employed by the Association, setting forth whether the assessments (annual, special, and limited special assessments) for a specific Lot have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, for repayment of indebtedness and interest thereon, or for any other non-recurring expenses, *provided that* any such assessment shall have been approved by the Declarant (during

the Declarant Control Period) and by not less than two-thirds (2/3) of the votes of the Class A Members present and voting (in person or by proxy) at a meeting of the Members, one of the purposes of which is to vote on the special assessment, and further provided that the special assessment for a Class B Lot shall always be zero. Special assessments shall be fixed at a uniform rate for all Lots within each Class and may be collected on a yearly, semiannually, quarterly, or monthly basis, as determined by the Board of Directors.

Written notice of any meeting called for the purpose of voting on a special assessment shall be sent to all Members not less than fifteen (15) days nor more than thirty (30) days prior to the meeting. At such meeting, the presence of Members or of proxies entitled to cast sixty percent (60%) of the votes of each Class of Lots shall constitute a quorum. If the required quorum is not present at any meeting, another meeting may be called subject to the same notice requirement, and if the meeting is called for a date not later than sixty (60) days after the date of the first meeting, the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 6. Limited Special Assessments. The Board of Directors, without vote of the Members, may levy a limited special assessment against any Lot, applicable only to that Lot, for expenses incurred by the Association with regard to such Lot including, without limitation, expenses incurred under Article VI hereof. Any fine imposed against an Owner pursuant to the Bylaws shall also constitute a limited special assessment against such Owner's Lot. Special assessments and limited special assessments shall constitute a lien to the same extent as other annual assessments against the Lot.

Section 7. Effect of Nonpayment of Assessments; Remedies. No Owner shall be exempt from liability for any assessment provided for herein by reason of non-use of the Common Area or such Owner's Lot, or abandonment or leasing of such Owner's Lot, or unavailability of the use or enjoyment of the Common Area.

All assessments and other charges shall be established and collected as provided in this Declaration. All assessments and other charges remaining unpaid for thirty days (30) days or longer, together with late charges, interest, and the costs of collection thereof, including attorney's fees, shall be charge on the Owner's Lot as provided in §47F-3-116 of the Act and, upon filing of a claim of lien in the office of the clerk of superior court of the county in which the Lot is located in the manner provided in §47F-3-116, shall be a continuing lien upon the Lot against which such assessment is made until paid in full. The lien may be foreclosed by the Association in any manner permitted under the Act or by law. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot obtains title to the Lot as a result of a foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns shall not be liable for the assessments and other charges against such Lot which became due prior to the acquisition of title to such Lot by such purchaser. All assessments and other charges due hereunder, together with late charges, interest, the costs of collection thereof, including attorney's fees, shall also be the personal obligation or corporate obligation of each Person who was the Owner of the Lot at the time when the assessment or other charge first became due and payable and may be collected by appropriate action at law. If more than one Person held an ownership interest in the Lot at the time the assessment or other charge first became due, then each Person

shall be both jointly and severally liable. An Owner's personal obligation for payment of such assessments and other charges shall not become the personal obligation of a subsequent Owner unless expressly assumed by the subsequent Owner, although the lien shall continue against the Lot until the amounts due are paid.

Section 8. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien; however, the sale or transfer of a Lot pursuant to foreclosure of a first mortgage or deed of trust, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of any assessments which became due prior to the date of conveyance pursuant to such foreclosure. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

Section 9. Exempt Property. All Common Area owned in fee by the Association, all property dedicated to and accepted by a public authority, and all property owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. Notwithstanding the foregoing, no Lot devoted to residential use shall be exempt from said assessments.

Section 10. Working Capital Fund. At the time of closing of the initial sale of a Lot from Declarant or a Builder, Purchaser shall contribute \$1,000.00 for each townhome Dwelling. The purpose of such working capital contributions is to ensure that the Association will have adequate cash available to defray operating costs, meet unforeseen expenditures or to acquire additional equipment or services deemed by the Board of Directors to be necessary or desirable. Amounts paid pursuant to this Section shall not be considered as an advance payment of any regular or special assessment. Such sum may also be utilized to reimburse Declarant the exact cost of any premiums or insurance policies purchased for the benefit of the Association by Declarant.

Section 11. Declarant's Obligation to Fund Operating Deficits. During the Declarant Control Period, Declarant shall be obligated to fund any deficit between the normal operating expenses of the Association and the monies received by the Association from the Owners from assessments. Declarant, at its option, may pay such expenses directly to the Person providing the services or materials or pay to the Association the amounts necessary to fund the operating deficit. Any monies paid at any time or by the Declarant for or on behalf of the Association shall be credited against past or future assessments due from the Declarant.

Section 12. Legal Actions Against Declarant and Owners. The affirmative vote or consent of the Owners that is equal to or greater than sixty-seven percent (67%) of the total number of votes in the Association first shall be required prior to the Association doing any or all of the following with respect to the Declarant, any successor Declarant, any Owner or any Member regardless of whether such Person is the Declarant or is an Owner or Member at the time the Association takes the action or obtains the necessary vote or consent required to take such action: (i) file a complaint, on account of any act or omission with any Governmental Entity which has regulatory or judicial authority over the Properties or any part thereof; or (ii) assert a claim against,

sue or request legal or equitable relief against Declarant, Owner or Member in any court, before any Governmental Entity board, or otherwise, provided however, nothing contained in this section shall be construed to require said number of votes for any lien enforcement actions arising out of Article V.

ARTICLE VI MAINTENANCE OF LOTS AND UNITS

Section 1. Association's Responsibility. In addition to maintenance of the Common Area and the improvements and facilities located thereon, including, but not limited to, plants, shrubs, trees and fencing required by the Town, the Association shall be responsible for maintaining the grass, plants, shrubs, trees, including street trees, landscaping, sidewalks, driveways and parking areas located on each Lot (hereinafter the "Yard Improvements") and installed by the Declarant or the Association, and any Yard Improvements installed by an Owner with the prior written consent of the Association (but only to the extent that such consent specifically provides that the Association will maintain such added Yard Improvements), provided, however, that: (i) the Association shall not be responsible for maintaining any fence installed on any Lot or any Yard Improvements inside of such fenced or enclosed privacy area; (ii) the Association's obligation to maintain shall not include the obligation to replace any plant, shrub or tree on any Lot for any reason; and (iii) the Association shall not be responsible for repair or replacement of any Yard Improvements when such repair or replacement is necessitated by work done by or at the request of any Owner or any utility company or governmental entity. However, the Association shall also be responsible for maintenance and repair of all retaining walls constructed by the Declarant or the Association within the Properties, whether on the Common Area or a Lot. In the event that the need for maintenance, repair and/or replacement is caused through the willful or negligent act of an Owner or such Owner's tenants, subtenants, family members, or guest or invitees of any of them, the cost of such maintenance, repair and/or replacement shall be the responsibility of the Owner.

The Association shall also maintain and repair the exterior of each Dwelling, including, without limitation, repair, replacement and care of gutters, downspouts, painting and cleaning of exterior walls, but specifically excluding glass surfaces, windows, screen doors and doors (including casings and sills). In the event that the need for maintenance, repair and/or replacement is caused through the willful or negligent act of an Owner or such Owner's tenants, subtenants, family members, or guest or invitees of any of them, or is caused by fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircrafts, vehicles, and smoke, as the foregoing are defined and explained in the North Carolina Standard Fire and Extended Coverage Insurance Policies, the cost of such maintenance, repair and/or replacement shall be the responsibility of the Owner.

The Board of Directors of the Association or the Members, by the affirmative vote of a majority of the Members of each Class, shall have the right (but not the obligation) to accept certain items, areas or improvements on a Lot for maintenance by the Association, including, but not limited to, Yard Improvements installed by an Owner. Such acceptance shall be in writing and may be subject to such terms and conditions, including, but not limited to, a special assessment or

increased annual assessment for that Lot (which, being consensual, need not be approved as provided in Article V hereof), as the Association might establish in such written acceptance.

Section 2. Owner's Responsibility; Remedy for Owner's Failure to Maintain. Any maintenance on a Lot that is not the responsibility of the Association, whether by the terms of this Declaration or by written acceptance of same, shall be the responsibility of the Owner of such Lot. Specifically, without limitation, the Owner shall be liable and responsible for the maintenance, repair and replacement, as the case may be, of all glass surfaces, window screens, doors, screen doors or storm doors installed by Owner (any such installation being subject to Article IX hereof), heating and air conditioning equipment and for the maintenance of any fenced or enclosed privacy area. Each Owner shall be responsible for repair and maintenance of all utility lines, fixtures and/or their connections required to provide water, light, power, telephone, sewage and sanitary service to the Owner's Lot which are not publicly maintained.

If an Owner does not perform any required maintenance of his Lot or Dwelling, the Association shall have the right (but not the obligation), through its agents and employees, by the affirmative vote of not less than two-thirds (2/3) of the Board of Directors, to enter upon such Lot and to repair, maintain and restore the Lot or exterior of the Dwelling erected thereon, and the cost of such maintenance, plus a surcharge of 15% for administration, shall be assessed in accordance with Section 3 of this Article. Prior to such entry, the Association shall give written notice to the Owner stating: (i) the specific items needing maintenance; (ii) the corrective action to be taken; (iii) a time, not less than 15 calendar days from the date of the notice, in which the Owner is to perform the necessary maintenance; and (iv) a statement that, if the Owner fails to perform the maintenance within such time period, the Association will exercise its right to perform the maintenance and that the Owner will be assessed with the costs thereof as provided in this Article VI.

Every Owner shall maintain in full force and effect at all times fire and hazard insurance from an insurer reasonably approved by the Board, in an amount equal to the full replacement value of his Living Unit, including the value of excavations and foundations. On an annual basis, an Owner shall be required to exhibit to the Board evidence that such insurance is in effect. If any Owner shall fail to maintain such insurance, the Board is authorized to obtain such insurance in the name of the Owner from an insurer selected by the Board, and the cost of such insurance shall be included in the annual assessment of the Owner and shall constitute a lien against his Lot until paid as a result of enforcement by the Association or otherwise.

Section 3. Assessment of Cost. In the event that the Association performs maintenance on any Lot as provided in Section 2 of this Article VI, the cost of any such maintenance, replacement or repairs (including the administration fee) shall be a limited special assessment against the Lot upon which such maintenance is done and shall be added to and become part of the assessments to which such Lot is subject under Article V hereof, enforceable under the terms thereof.

Section 4. Access at Reasonable Hours. As provided in Section 5 of Article VIII of this Declaration, the Association, through its duly authorized agents or employees, shall have the

right, without notice to the Owner, to enter upon any Lot at reasonable hours on any day to perform any maintenance and repairs to be performed by the Association.

ARTICLE VII RIGHTS OF LENDERS

Section 1. Books and Records. Any holder of a first deed of trust on any Lot, or its agent(s), shall have the right, during normal business hours, to examine copies of this Declaration, the Articles of Incorporation, the Bylaws, and the books and records of the Association and, upon written request to the Association, to receive a copy of the financial statement for the immediately preceding fiscal year, except that the Association shall not be required to provide the financial statement for the preceding fiscal year if said fiscal year expired less than 75 days prior to the date of the request. (See §47-3-118 of the Act).

Section 2. Notice to Lenders. Upon written request to the Association, the holder of a first deed of trust on any Lot shall be entitled to timely written notice of:

- (a) Any 60-day delinquency in the payment of assessments or charges owed by the Owner of the Lot securing its loan.
- (b) A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.
- (c) Any proposed action that requires the consent of a specified percentage of owners or holders of first mortgages on the Lots.
- (d) Any condemnation or casualty loss that affects either a material portion of the project or the Lot securing its mortgage.

Section 3. Approval of Holders of First Deeds of Trust. Unless at least seventy-five percent (75%) of the holders of the first deeds of trust on Lots located within the Properties have given their prior written approval, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association, unless said conveyance of real property is *de minimis* and for the sole purpose of correcting an error in title of a Lot. Neither the granting of easements for utilities or other purposes as provided in Section 1(c) of Article IV hereof, nor the exchange of real property as provided in Section 1(e) of said Article IV hereof shall be deemed a transfer within the meaning of this subsection (a). Notwithstanding anything herein to the contrary, the property owned by the Association, whether in fee, by easement, or otherwise, shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the Town of Rolesville or another governmental entity or to a nonprofit entity organized for purposes similar to those of the Association.

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot;

(c) Fail to maintain hazard insurance on insurable improvements on the Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value; or

(d) Use the proceeds of any hazard insurance policy covering losses to any part of the Common Area for other than the repair, replacement, or reconstruction of the damaged improvements or, as provided in §47F-3-113 of the Act, for distribution to the Owners, provided, however, that, except as provided in §47F-2-118 of the Act, any distribution to Owners shall be in the form of a credit toward current or future assessments due from the Owners to the Association.

Provided, however, that in the event that any such holder of a first deed of trust fails to provide the approval required by this Section 3 within sixty (60) days after the Association has sent a written request for such approval, approval will not be required, and this Section will be deemed to have been fully complied with.

Section 4. Payment of Taxes and Insurance Premiums. The holders of deeds of trust on Lots, jointly or singly, may pay taxes or other charges which are in default and which have or may become a charge or lien against any of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy covering property owned by the Association. The persons, firms or corporations making such payments shall be owed immediate reimbursement therefor by the Association.

Section 5. Collection of Assessments. No mortgagee shall have any obligation to collect any assessment under the Declaration.

ARTICLE VIII EASEMENTS

In addition to all other easements granted or reserved elsewhere in this Declaration, Declarant hereby grants and/or reserves the following easements.

Section 1. Access and Utility Easements. Easements for the installation and maintenance of driveway, walkway, water line, sewer lines, natural gas lines, telephone, cable television, electric power transmission lines, storm water drainage facilities, bio-retention areas and other public or quasi-public utility installations are reserved as shown on the recorded plats of the Properties. The Association may reserve and grant easements over the Common Area as provided in Article IV, Section 1(c), of this Declaration. Within any such easement herein provided, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation or maintenance of the utilities installed thereon, or which may change the direction of flow or drainage of water through drainage pipes or channels constructed in such easements.

For a period of ten (10) years from the date hereof, Declarant grants to and reserves for itself, the Association, and their successors and assigns, an easement and right of ingress, egress and regress on, over and under the Properties to maintain and correct drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such right

expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or take any other similar action that it deems reasonably necessary or appropriate. After such action has been completed, the person or entity taking such action shall grade and seed the affected property and restore the affected property to its original condition to the extent practicable, but shall not be required to replace any trees, bushes or shrubbery necessarily removed. The person or entity taking such action shall give reasonable notice of its intent to take such action to all affected Owners.

Declarant hereby grants to the Association and each Member thereof a perpetual non-exclusive easement over the Shared Features.

Section 2. Easement for Support. Every Lot and Unit which contributes to the lateral and/or vertical support of any adjoining Unit(s) shall be burdened with an easement of support for the benefit of such adjoining Unit(s).

Section 3. Easement For Encroachments. In the event that any structure erected on a Lot encroaches upon any other Lot or the Common Area, and such encroachment was not caused by the purposeful act or omission of the Owner of such Lot, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Common Area or other Lot for so long as such encroachment shall naturally exist. In the event that any structure erected principally on the Common Area encroaches upon any Lot, then an easement shall exist for the continuance of such encroachment of such structure onto such Lot for so long as such encroachment shall naturally exist. The foregoing shall not be construed so as to allow any extension or enlargement of any existing encroachment or to permit the rebuilding of the encroaching structure, if destroyed, in a manner so as to continue such encroachment, except such encroachment as was in existence as of the date of conveyance of the Lot to an Owner other than the Declarant.

Section 4. Easement Over Common Area. A perpetual, nonexclusive easement over, under and through the Common Area is hereby granted to each Lot and its Owners, family members and tenants of such Owners, the occupants of such Lot, and guests and invitees of such Owners, tenants or occupants, for the purpose of providing reasonable access, ingress and egress to, from and over and the use of the Common Area and for utilities serving such Lot. Any conveyance or encumbrance of such Common Area is subject to the easements granted herein.

Section 5. Association's Easement Upon Lots. The Association shall have a right, license and easement to go upon any Lot for the purpose of fulfilling its obligations under this Declaration and any other laws, ordinances, rules and regulations, public or private, which the Association is obligated or permitted to enforce. Such easement shall include, without limitation, the right to go on any Lot to correct, repair or alleviate any condition which, in the opinion of the Board of Directors of the Association or of the manager employed by the Association, creates or may create an imminent danger to the Common Area or improvements thereon.

ARTICLE IX ARCHITECTURAL CONTROL

Section 1. Architectural Approval. The Declarant shall have the sole and absolute right to determine the style and appearance of the Dwellings, including, but not limited to, flags, subject to Section 47F-3-121 of the Act, flag poles, flag staffs, fences, walls, buildings, outbuildings, garages, storage sheds, mailboxes, lawn decorations, structures of any type or color thereof, grading, landscaping, patio covers and trellises, plans for off-street parking of vehicles and utility layout, and any other improvements to be built or constructed on any Lot (hereinafter individually and collectively referred to as "Improvements"). Declarant shall have exclusive authority to administer and enforce architectural standards under this Article and to review and act upon all applications for original construction within the Property. There shall be no surrender of this right except in a written instrument in recordable form executed by Declarant. Upon the expiration or surrender of such right, the Board may, at its option, either assume such authority or create and appoint an Architectural Review Committee ("ARC") composed of three or more persons appointed by the Board. The ARC shall have no rights or authority until Declarant's authority under this Article is surrendered.

No Improvements (including, without limitation, replacement of any previously existing Improvements) shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration thereof be made (including, without limitation, changing materials or color of any exterior portion of any such Improvements), nor shall a building permit for such Improvements or change be applied for or obtained, until plans and specifications showing the nature, kind, shape, heights, materials, color, built-upon area, and location of same shall have been submitted to and approved in writing by the Declarant or after the Declarant surrenders that right, the Board or the ARC. If the Association or its designee fails to approve or disapprove such proposed Improvements within 60 days after complete plans and specifications have been received by it, approval will not be required, and this Article shall be deemed to have been complied with. The Association shall have the right to charge a reasonable fee for receiving and processing each application.

Section 2. Architectural Guidelines.

The Declarant, and after the Declarant surrenders this right in writing, the Board or ARC, shall have the right to promulgate and from time to time amend written architectural standards and construction specifications in addition to those set forth above (hereinafter the "Architectural Guidelines") which may establish, define and expressly limit the standards and specifications which will be approved, including, but not limited to, architectural style, exterior color or finish, roofing material, siding material, driveway material, landscape design and construction technique. The Architectural Guidelines shall include an anti-monotony policy that will prohibit Dwellings or accessory structures of similar design and color from being constructed on adjacent Lots. Neither the Declarant, the Board, nor the ARC shall approve any Improvements which it determines, in its sole discretion, not to be in harmony of external design, construction and/or location in relation to the surrounding structures, topography or the general plan of development of the Subdivision.

Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither Declarant, the Association, the Board, or the ARC shall bear any responsibility for ensuring the structural integrity or soundness of approved construction

or modifications, nor for ensuring compliance with building codes and other governmental requirements, including without limitation, built upon area requirements set forth in any Stormwater Agreements. Neither Declarant, the Association, the Board, or the ARC, or any member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction on or modifications to any Lot. In all matters, the ARC and its members shall be defended and indemnified by the Association as provided in the Bylaws.

Section 3. Rules and Regulations. The ARC may from time to time recommend to the Board, and the Board may, in its sole discretion, adopt, promulgate, amend and repeal rules and regulations interpreting and implementing the provisions of this Article VIII, including adoption of detailed architectural guidelines and the imposition of a fee or charge for review of proposed improvements or modifications.

Section 4. Variances. The ARC may recommend to the Board, and the Board may, by the vote or written consent of a majority of the members thereof, allow reasonable variances as to the covenants, conditions or restrictions contained in this Declaration, on such terms and conditions as it shall require; provided, however, that all such variances shall be in keeping with the general plan for the improvement and development of the Property. Variances contained in plans that are inadvertently approved by the ARC as part of the proposed improvements shall not be considered as having been approved unless specifically approved by the Board in accordance with the provisions of this Section.

Section 5. Enforcement. Any construction, alteration or other work done in violation of this Article or the Architectural Guidelines shall be deemed to be nonconforming. Upon written request from Declarant, the ARC, or the Board, Owners shall, at their own cost and expense and within such reasonable time frame as set forth in such written notice, cure such nonconformance to the satisfaction of the requester or restore the property, Lot and/or Dwelling to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, Declarant, the Association or their designees shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefited Lot and collected as a Benefited Assessment unless otherwise prohibited in this Declaration.

All approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Lot, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work, Declarant or the Association shall be authorized, after notice to the Owner of the Lot and an opportunity to be heard, to enter upon the Lot and remove or complete any incomplete work and to assess all costs incurred against the Lot and the Owner thereof as a Benefited Assessment unless otherwise prohibited in this Declaration.

All acts by any contractor, subcontractor, agent, employee, or invitee of an Owner shall be deemed as an act done by or on behalf of such Owner. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions

of this Article and the Architectural Guidelines may be excluded from the Property, subject to the notice and hearing procedures contained in the Declaration. In such event, neither Declarant nor the Association, its officers, or directors shall be held liable to any person for exercising the rights granted by this section.

In addition to the foregoing, the Association and Declarant shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the ARC.

Section 6. Zoning Conditions. Notwithstanding anything contained herein to the contrary, styles and appearances of Dwellings shall comply with the Zoning Conditions.

ARTICLE X USE RESTRICTIONS

Section 1. Use of Lots and Common Area. It is the intent of the Declarant that all Lots shall be used for residential purposes only. Except as permitted by the Town of Rolesville Code, no trade, business, profession or other type of commercial activity shall be carried on upon any Lot, except that (i) the Declarant, real estate brokers, Owners and their agents may show Lots for sale or lease and (ii) any Owner may lease a home on a Lot to residential tenants for profit but any such lease may not be for a period of less than six (6) months (such lease to provide that the terms of the lease shall be subject in all respects to this Declaration). Notwithstanding the foregoing, the Declarant shall have the right to: (i) use Lots and improvements erected thereon for sales offices, field construction offices, storage facilities, and its own general business offices; (ii) maintain spot-lighted model homes which may be open to the public for inspection seven days per week for such hours as the Declarant deems appropriate or necessary; (iii) conduct any other activities on Lots to benefit sales and construction efforts; and (iv) use the parking facilities on the Common Area for parking for its employees and invitees.

Section 2. Use of Accessory Structures. No tent, shack, barn, car port, metal awnings, metal utility sheds or other building, other than a Dwelling and its garage, shall be erected on a Lot, and used temporarily or permanently as a residence. Notwithstanding the foregoing, the Declarant and, with the approval of the Declarant, a Builder, may use temporary buildings, offices or facilities in connection with the marketing, sale and construction of Units.

Section 3. Flags/Miscellaneous. Except as may be permitted by the Architectural Review Committee, no Owner shall construct, install, erect, or maintain upon any Lot any outbuilding, yard art, storage shed (unless erected by Declarant) gazebo, trampoline, awning, flag (including flags of the United States of America or the State of North Carolina) or freestanding flagpole (provided, flags [including the United States of America or the State of North Carolina] may be displayed using a bracket or other approved device mounted to a dwelling so long as the size of the flag displayed does not exceed a standard size as same may be determined by the Architectural Review Committee, subject to Section 47F-3-121 of the Act). In no event shall any outbuilding, storage shed, gazebo, or trampoline be constructed on any Lot in the front or side yards, as determined by the building lines applicable to the Lot. No above-ground pools (except for wading pools no deeper than 2 feet tall and no wider than 10 feet in diameter, which shall be regulated by the Architectural Review Committee) shall be allowed or approved by the

Architectural Review Committee on any Lot. Wading pools shall only be allowed during appropriate weather and must be emptied and stored when not in use.

Section 4. Nuisances. No noxious or offensive trade or activity shall be carried on upon any Lot or the Common Area, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No vehicle repairs or maintenance shall be conducted within the Properties other than in a garage and concealed from public view. Outside clothes hanging devices are not permitted. Overnight parking on subdivision streets between 11 pm and 5 am is not permitted.

Section 5. Animals. No animals, livestock or poultry of any kind shall be kept on any Lot, except that cats, dogs, and other household pets, excluding any livestock or poultry, may be kept provided they are not kept, bred, or maintained for any commercial purpose, that they do not become a nuisance to the neighborhood and that each Lot is limited to two (2) animals. The Board of Directors has the right to determine whether or not a particular animal is a nuisance and to require removal. No person owning or having custody of a permitted animal shall allow the animal to stray or go upon another Owner's Lot without the consent of such other Owner. No animals shall be permitted on or in the Common Area at any time except as permitted by the rules and regulations of the Association or by applicable law. All animals shall be on a leash when outside the Owner's Dwelling. The owner of a permitted animal shall be responsible for removing and cleaning up any excrement deposited by such animal on any Lot or the Common Area.

Section 6. Signs. Except as otherwise required by the Town of Rolesville or Wake County, no sign of any kind shall be displayed to the public view on any portion of any Lot without prior approval from the Association. The only signs that may be approved are: (i) One sign of not more ten (10) square feet in size advertising the Lot for sale and (ii) One sign of not more ten (10) square feet in size expressing support of or opposition to political candidates or other issues which will appear on the ballot of a primary, general or special election, provided that such political signs shall not be placed on a Lot earlier than sixty (60) days before such election and shall be removed within seven (7) days after such election. No sign of any kind shall be displayed in or on the Association Common Area without the prior written consent of the Association. Signs advertising a Unit or Dwelling for lease or rent may not be displayed on any portion of a Lot or placed for public view within a Unit or Dwelling. Notwithstanding the foregoing, Declarant shall have the right to erect and maintain signs of any type and size on any Lot which it owns and on the Association Common Area in connection with the development and sale of the Properties.

Section 7. Parking. Except to the extent that parking areas are provided on the Shared Features, the Declarant shall provide and the Association shall maintain at least the minimum number of parking spaces required by the Town of Rolesville for the Subdivision. The Board of Directors of the Association shall have the right and authority (but shall not be obligated) to assign parking spaces to Owners on an equal, non-discriminatory basis. The Owner of each Lot shall provide the Association with the make, model, color and license plate number of each vehicle owned or normally driven by the Owner and his family, any person regularly residing with the Owner, and/or any lessee or sub-lessee of such Owner.

No Owner or a member of his family, lessee or sub-lessee or guest of an Owner shall: (i) park any vehicle on the street within or adjoining the Subdivision except in a designated paved parking space; (ii) park or keep on any Lot or street within or adjoining the Subdivision any abandoned, partly dismantled or inoperative vehicle or vehicle not having current registration and inspection stickers displayed; or (iii) park or keep on any Lot or any street within or adjoining the Subdivision any boat or boat trailer, utility or other trailer, recreational vehicle, motor home, camper, bus, truck in excess of one ton weight, commercial vehicle, truck or van, or anything else other than a vehicle normally intended for use as a private passenger vehicle. For the purpose of the preceding sentence, the term "keep" shall mean the presence for either a period of more than ten (10) hours or overnight, whichever is less.

The Board of Directors shall have the right and authority to make, implement and enforce such additional parking rules and regulations as it might determine from time to time necessary or appropriate, and shall have the right and authority to enforce same, including, but not limited to, the right to levy fines for violations thereof. Furthermore, the Association shall have the right and authority to have towed any vehicle parked or maintained in violation of these or subsequently-adopted parking rules and regulations, and the cost of towing and storage shall be the responsibility of the Owner of the Lot to which such vehicle is registered or the Owner of the vehicle, as appropriate.

Notwithstanding the foregoing, no vehicle of any type or size which transports inflammatory or explosive cargo or which stores or transports materials or substances defined as hazardous or toxic by any applicable legal requirements shall be kept or stored or allowed to remain in or on the Properties at any time, except as may be required to effectuate transportation or removal of such prohibited materials and substances through or from the Properties, or, with respect to explosive materials, as may be reasonably required in connection with the construction or installation of streets and utilities in the Properties, or as may be allowed by Declarant, during the Declarant Control Period, and thereafter, the Board, when reasonably required for the construction of other improvements within the Properties.

Section 8. Antennae and Roof Structures. No radio or other electrical towers, aerials, antennae, or other devices of any type for the reception or transmission of radio broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon. Notwithstanding the foregoing, (i) antennae or satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter; (ii) antennae or satellite dishes designed to receive video programming services via multi-point distribution services which are one meter or less in diameter or diagonal measurement; or (iii) antennae or satellite dishes designed to receive television broadcast signals which are less than one meter in diameter shall be permitted, *provided that* any such antenna or satellite dish is placed in the least conspicuous location on the Lot in which an acceptable quality signal can be received and is screened from the view of adjacent Dwelling Units, streets and Common Area in a manner consistent with the Architectural Guidelines, and is approved by the Declarant or the ARC pursuant to Article VIII of this Declaration. The Association shall be empowered to adopt rules governing the types of antennae and satellite dishes that are permissible hereunder and establishing reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae.

Section 9. Garbage, Unsightly Storage. All trash and rubbish shall be kept in such a manner as not to be visible from the street upon which the Unit fronts. No trash, rubbish, stored materials, wrecked or inoperable vehicles, or any other unsightly items shall be allowed to remain on any Lot; provided, however, that the foregoing shall not be construed to prohibit temporary deposits of trash, rubbish, and other debris for collection by governmental or other similar garbage and trash removal units. In the event of curbside trash and/or garbage pickup, trash and/or garbage cans may be moved to the street on the night before the scheduled pickup, but all garbage cans must be returned to approved enclosure the night of the scheduled pickup.

Section 10. Fences. Any fence or wall installed within the Subdivision must meet all requirements of any applicable zoning ordinance and must be approved as provided in the Declaration. Chain-link fences will not be permitted. Nothing in this paragraph shall be deemed to apply to or regulate retaining walls made necessary by the slope or grade of any Lot nor to any fence installed by the Declarant at any entrance to or along any street within the Subdivision or near the subdivision boundary or required by the Town.

Section 11. Fines. The Board of Directors, in accordance with the Bylaws, shall have the right and authority to levy fines or penalties for the violation of any provision of this Declaration and/or the rules and regulations hereafter promulgated by the Board pursuant thereto. Any monetary fine or penalty shall be deemed a limited special assessment against the Lot of the Owner against whom such fine or penalty is assessed.

Section 12. Solar Panels. Solar Panels may be installed only if they cannot be seen from the road in front of the dwelling.

ARTICLE XI PARTY WALLS

Section 1. Rules of Law. All common party walls between individual Units shall conform to the requirements of the North Carolina State Building Code. The general rules of law regarding party walls, lateral support, and liability for property damage due to negligence or willful acts or omissions shall apply to each wall which is built as part of the original construction of the Dwellings within the Properties and which is placed on the dividing line between Lots, and to all reconstruction or extensions of such walls, to the extent not inconsistent with the provisions of this Article.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who or which uses the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner to

call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Easement and Right of Entry for Repair, Maintenance and Reconstruction. Every Owner shall have an easement and right of entry upon the Lot of any other Owner and the Common Area to the extent reasonably necessary to perform repair, maintenance or reconstruction of a party wall and those improvements belonging to his Lot which encroach on an adjoining Lot or Common Area. Such repair, maintenance, or reconstruction shall be done expeditiously, and upon completion of the work, the Owner shall restore the adjoining Lot(s) and Common Area to as nearly the same condition as that which existed prior to commencement of the work as is reasonably practicable. Except in an emergency situation, an Owner entering upon another Owner's Lot as provided herein shall give reasonable oral or written notice to the Owner of the Lot on which such entry is to be made.

Section 5. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who, by his negligence or willful act or omission, causes the party wall to be exposed to the elements, shall bear the entire cost of furnishing the necessary protection against such elements and of repairing any damages resulting from such Owner's failure to timely and adequately provided such protection.

Section 6. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Certification by Adjoining Property Owner That No Contribution Is Due. If any Owner desires to sell his Lot, such Owner, in order to assure a prospective purchaser that no Owner of an adjoining Lot has a right of contribution as provided in this Article, may request the adjoining property Owner to make a written certification that no right of contribution exists, whereupon it shall be the duty of each adjoining property Owner to make such written certification immediately upon request, and without charge; provided, however that where the adjoining property Owner claims a right of contribution, the written certification shall contain a recital of the amount claimed. If an adjoining Owner fails to give a written certification within ten (10) days of actual receipt of such request, such failure shall be conclusively deemed a certification that no such contribution is due.

ARTICLE XII GENERAL PROVISIONS

Section 1. Enforcement. The Association and each Owner (including the Declarant) shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, rules, regulations, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Act, the Bylaws or rules and regulations adopted by the Association. Failure by the Association or an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement actions, or any case in which the Board reasonably determines that the cost of enforcement outweighs the benefit to be gained by enforcement. Any such determination shall not be construed as a waiver of the right to enforce such provisions under other circumstances or to estop the Association from enforcing any other covenant, restriction or rule.

Section 2. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or altered by a vote of the Owners as set forth below. During the Declarant Control Period, the Declarant may amend this Declaration, without the consent or joinder of the Members or the Association, for any purpose. This Declaration may also be amended during the first twenty-five year period by an instrument signed by the Owners of not less than eighty percent (80%) of the Lots, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots. No amendment shall be effective unless it has been recorded in the offices of the Register of Deeds of Wake County.

Section 3. Subdivision of Lots. No Lot within the Subdivision may be subdivided by sale or otherwise so as to reduce the total Lot area shown on the recorded plat, except by or with the consent of the Declarant and, if required, by the appropriate governmental authority.

Section 4. Rules and Regulations. The Board of Directors shall have the authority to adopt additional rules and regulations governing the use of the Common Area and the Lots and shall furnish a written copy of said rules and regulations to the Owner(s) of each Lot at least fifteen (15) days before such rules and regulations become effective.

In addition to any other rights and remedies that the Association may have under this Declaration, the Association may impose sanctions for violations of this Declaration, the Bylaws of the Association, the rules and regulations adopted by the Association, or the restrictive covenants and other use restrictions applicable to the Properties, in accordance with procedures set forth in the Bylaws, which sanctions may include, but are not limited to, reasonable monetary fines, which fines shall be deemed a limited special assessment and a lien upon the Lot of the violator, and suspension of the right to vote and the right to use any recreational facilities within the Common Area; provided, however, that the Association may not suspend such Owner's right of access to or any utilities servicing his Lot.

In addition, pursuant to procedures provided in the Bylaws, the Association may exercise self-help to cure violations (specifically including, but not limited to, the towing of Owner and tenant vehicles that are in violation of parking rules) and may suspend the right of an Owner to use any Common Area if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association, provided, however, that the Association may not suspend such Owner's right of access to or any utilities servicing his Lot.

The Association shall have the right and easement to go upon any Lot for the purposes of exercising its rights hereunder, including, but not limited to, enforcement of the architectural guidelines applicable to the Properties. Any entry onto any Lot for purposes of exercising this power of self-help shall not be deemed as trespass. All remedies set forth in this Declaration and the Bylaws shall be cumulative of any remedies available at law or in equity. In any action to enforce its rights and remedies, the party prevailing in such action shall be entitled to recover all costs, including, without limitation, attorneys' fees and court costs, reasonably incurred in such action.

Section 5. Condemnation/Casualty. If all or any part of the Common Area and improvements thereon is taken by power of eminent domain or is damaged or destroyed by fire or other casualty, the proceeds of the condemnation award or any insurance policies covering such improvements shall be payable to the Association. The Board of Directors shall propose to the Members, at an annual or special meeting held within sixty (60) days after the date of the condemnation or casualty, whether or not to reconstruct the improvements. The insurance proceeds shall be used to reconstruct the improvements except as provided in §47F-3-113(g) of the Act, in which event the proceeds shall be retained by the Association for operation expenses or reserves, as determined by the Board or the Members. Nothing in this Section shall prevent the Board from proposing and the Members from approving the use of such proceeds for construction of different improvements, e.g., playground on Common Area in lieu of a destroyed club house.

Section 6. Association Contracts and Leases During Declarant Control Period. All Association contracts and leases made during the Declarant Control Period which extend beyond the Declarant Control Period must: (i) be for a term of two years or less; (ii) be terminable without penalty by the Association upon no more than ninety (90) days written notice; and (iii) be commercially reasonable and made with an entity not affiliated with the Declarant.

Section 7. Evidence of Member Approval. In the event that any action requires evidence of consent of the Members or a specified percentage of the Members, such approval shall be conclusively presumed if supported by a Certification signed by the President or Secretary of the Association in substantially the following form:

Section 8. Number and Gender. Whenever the context requires, the singular shall include the plural, and *vice versa*, and one gender shall include all.

Section 9. Captions. Captions are for the purpose of reference only and shall not be deemed to be in any manner interpretive of any provision of this Declaration.

Section 10. Severability. If any provision of this Declaration is held by a court of competent jurisdiction to be invalid or void, such provision shall be deemed severable from the remaining provisions of the Declaration and shall not be deemed to nullify or affect any other provision hereof. If any such provision is deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

If any item, term or provision contained in this Declaration is in conflict with any applicable federal, state or local laws, this Declaration shall be affected only as to its application to such item, term or provision, and shall in all other respects remain in full force and effect.

Section 11. Conflicts. In the event of a conflict between this Declaration and the Articles of Incorporation of the Association, the Articles of Incorporation shall control. In the event of a conflict between this Declaration and the Bylaws, this Declaration shall control.

Specific provisions shall control general provisions. Notwithstanding the foregoing, a construction consistent with the Act, the North Carolina Nonprofit Corporation Act (N.C.G.S. Chapter 55A), and Town of Rolesville Code shall in all cases control over any construction inconsistent therewith. The provisions of the Act and the Nonprofit Corporation Act shall in all cases control any conflicting provisions of the Town of Rolesville code.

Section 12. Rule Against Perpetuities. As provided in §47F-2-103(b) of the Act, the rule against perpetuities may not be applied to defeat any provision of the Declaration, Bylaws, or rules and regulations adopted pursuant thereto. In the absence of the protection provided in §47F-2-103(b) of the Act, if any provision of this Declaration violates any applicable rule against perpetuities, such provision shall be deemed amended to be and remain in effect for the maximum period of time that such provision could be in effect without violating the applicable rule against perpetuities.

Section 13. Security Measures. Neither the Declarant, the Association nor the Board shall have any responsibility for establishing or maintaining any security measures within the Property, such measures being the sole responsibility of each Owner, as to his Lot and property, and to the appropriate public officials including, without limitation, the Rolesville Police Department.

IN WITNESS WHEREOF, the Declarant has caused this instrument to be executed in its name by its duly authorized officer, as of the date set forth in the notary acknowledgment below.
