### **ST. MARY'S: Jessica Jurkowski, President**

In August, St. Mary's CCW sold tickets for a chance to win a beautiful quilt, that was made by one of our long-time parishioners. This really helped us replenish our funds. In September, we attended the DCCW Convention and enjoyed seeing everyone and sharing in our faith with the wonderful Catholic women of Utah. October was a busy month as we began the month by partnering with our men's group and held a Breakfast Burrito sale on Sunday, October 3<sup>rd</sup>. It was fun and a great success. For our regular meeting we had a guest speaker, Brandy Farmer, a Domestic Violence Prevention Specialist, who spoke to us about her experiences and the resources that are available. We were thrilled that some of our Hispanic parishioners, both men and women, came out for this presentation. For November each of the ladies has prepared and donated a basket for a fundraiser event. They will be displayed for two weekends in November 13-14 and 20-21 and tickets will be sold. We are also planning an Advent dinner in December and soliciting nominations for new officers for the next term.

### **ST. ROSE OF LIMA: Juanita Topman, President**

We held a rummage sale in the summer which was a huge success. We will be able to purchase Cassocks for the Alter Servers as part of our Profit-Sharing agreement.

In September several ladies attended the annual DCCW Convention in SLC. Two baskets were donated for the fundraisers.

On October 14<sup>th</sup> prior to our monthly meeting, Catholic Community Services presented a Zoom Meeting presentation on Volunteer Training for the Afghanistan Refugee program.
