Whenever It Breaks.....

There is a monastery in Greece perched high on a cliff, several hundred feet in the air. The only way to reach the monastery is to be suspended in a basket which is pulled to the top by several monks who tug with all their strength. Obviously, the ride up the steep cliff in that basket is terrifying.

One tourist got exceptionally nervous about half-way up as he noticed that the rope by which he was suspended was old and frayed. With a trembling voice he asked a monk riding with him how often they changed the rope. The monk thought for a moment and answered serenely, "Whenever it breaks...."

Some things should never be put off. When I recognize the need for change and correction, I need to do it NOW...before it's too late...before the rope breaks.

Would you believe me if I told you I had discovered a new diet where we could eat only fattening foods and yet lose weight? The diet would consist of banana splits, pizza, coconut cream pies, doughnuts, fudge—you name it. What if I told you that I had found a new alcohol recovery program where we were advised to drink a quart of Scotch every hour? Or what if I told you about a new way to get in shape by sitting in front of the television set, clicking away on your remote control? What if I told you that I had found a new way to get ahead in school by goofing off and playing video games?

We know none of these ridiculous suggestions will work. Why? Because we reap what we sow...
- adapted from Alan Smith-*Thought for the Day*, and Greg Laurie-*Life. Any Questions?*

Isn't it time to start reading the Bible... before the rope breaks?

"And as he reasoned of righteousness, temperance, and judgment to come, Felix trembled, and answered, Go thy way for his time; when I have a convenient season, I will call for thee"
