Conference**

May 13-17 • Orange Beach

Sponsorship and Exhibitor Information

From the President

The Code Officials Association of Alabama is pleased to announce sponsorship and exhibitor opportunities for our 2019 Education Conference and Scholarship Golf Tournament. This year's conference will take place May 13-16, 2019, in Orange Beach, Alabama. We invite you to participate in this event to help inform our members about the codes and your products.

Formed in 1968, COAA is a charter chapter of the International Code Council, and a nonprofit professional association representing Alabama's city and county building inspectors and industry representatives. COAA and its members are dedicated to promoting health and safety in the built environment through education, professionalism, and code development.

Much of COAA's success is due to the support of our sponsors and partners. As a sponsor or exhibitor, you show your support for Alabama's building and safety community while showcasing your products and networking with code officials, architects, engineers, flood plain managers, and others involved in the construction industry.

If you have questions about any of the sponsor and exhibitor opportunities, please let me know. We look forward to seeing you in Orange Beach!

Sincerely,

Dale Hall

President
Code Officials Association of Alabama
