Seaton is an Associate member of RSAH2O, LLC – an environmental consulting firm with strong emphasis on water issues.

Seaton served over 22 years with the Texas Commission on Environmental Quality (TCEQ) and Texas Water Development Board (TWDB). During his state service, he served as Chief of Staff to the Chairman of the TWDB, Executive Assistant to a TCEQ Commissioner and the Deputy and Assistant Deputy Executive Director. During this time, Seaton had extensive interaction with federal, state and local agencies and stakeholders, while gaining a comprehensive understanding of all aspects associated with responsibilities of the TWDB and TCEQ.

Seaton's experience includes a strong emphasis in wastewater permitting and water quality issues including drafting complex municipal wastewater discharge permits and multi-media enforcement matters. He served as the technical advisor to the Rio Grande Compact Commissioner and has experience with coordination with the U.S. Environmental Protection Agency, Bureau of Reclamation, Corps of Engineers, U. S. Geological Survey, U. S. Fish and Wildlife Service, and the International Boundary and Water Commission. Seaton also possesses extensive experience as it relates to river compacts and international water treaty issues.

Seaton received his bachelor's degree in Environmental Studies from Texas State University.
