I am requesting the following assistance from rescue:

[] Coaching/Advice/Referrals: No Cost.

Dogs are loyal, sentient beings that love unconditionally. Dogs really do want to please you and most often have no idea what you expect of them. Before you give up on your dog, please consider taking advantage of our unlimited, no cost support. Many problems, both big and small, can be successfully resolved with the help of an experienced coach.

[] Rehoming My Dog - Courtesy Post: Donation \$50.00 (plus Additional Donation if/when dog is rehomed)

When all else fails, we can help find your dog a new home by courtesy posting him/her and targeting breed-experienced adopters. We will obtain additional information from you and/or meet the dog before posting, and will market your dog – this includes posting photos and/or videos, creating a biography about him/her, and targeting breed-experienced adopters. Any inquiries from interested parties/potential adopters will be submitted to the rescue. We require all interested parties to complete a written Application for Adoption and successfully complete our Adoption Process which includes a thorough screening and home check. We will coordinate an introduction/meet and greet with the potential, pre-screened adopter and you and your dog. If we all feel it is a match and your dog is adopted by the potential adopter, we will guide you both through the next steps, to include legal relinquishment of your dog to his/her new owner and provide the necessary documents so that ownership and the microchip can be legally transferred. Once the Adoption Process is near completion, you/Owner will make a reasonable donation to the rescue, and the new Adopter will make an adoption donation to the rescue. Once your dog is posted on the website, there will be no refund of the Courtesy Post fee. If you decide, for any reason, that your dog no longer needs to be courtesy posted, please notify us immediately so the post can be deleted/deactivated.

[] Relinquishing My Dog: Amount Varies – Minimum donation of \$1,000.00 (Amount varies/is based on different factors including time of year/current available kennel space and/or need for commercial boarding at a rescue rate of \$372/mo., as well as individual needs of the dog. Relinquishment donation covers kennel space/boarding, daily care & feeding of your dog until rehomed, routine or urgent veterinary care that may be needed after relinquishment, training/behavior modification, marketing, and lifetime coaching/support after he/she is in the new home.

Please describe, in detail, the reason(s) for your contacting rescue for help. Attach additional sheets if necessary.

Please submit this form along with at least three (3) current photos of your dog – face/head, and body. If you wish to rehome your dog, remember that the quality of the photos have the greatest impact on increasing your dog’s chance of adoption.) In addition to photos, you may also send a short video. We may need additional information from you, as well as proof of spay/neuter, and proof that vaccinations, including rabies, are current.

I certify that I am/we are the legal owner of the dog and that the information I have provided is true and correct.
