Current programs and events:

-Basketball: the 1st and 2nd grade “Young Gunners” and 3rd-8th grade in-house basketball programs both ended since our last meeting. Travel basketball also ended this past week. 3 of the teams that played this year made the playoffs.

-The Middle School field hockey program is underway over at Total Turf.

-T-ball registrations have begun and will continue until early April. Right now, 50 kids have been registered, with another 10-15 expected. This will lead to having 6 teams this year.

-Updates on the Disc Golf course: it is ahead of schedule. Small details, like the tee boxes, need to be finished. The front 9 will be finished in a few weeks, with the back 9 slated for later this summer.

-Spring sports for the high school and middle school have started. With the weather warming up, those sports will be able to practice outside in preparation for their seasons. Additionally, the Middle School baseball team will be having tryout on March 16.

Upcoming programs and events:

-Andy will be meeting with Dan Rudley soon to discuss possible dates for SNAG Golf this spring.

-Spring Tennis and Track & Field registrations are now open. Tennis starts in mid-April, while Track & Field starts in mid-March (and is being hosted by Glassboro Parks and Rec).

-The Healthy Kids Running Series will be starting at the end of March until early May. They take place on Sundays over at Alcyon Park for kids from Pre-K to 8th grade.

-Lastly, the Youth Week schedule for 2019 is ready and will take place from May 4-10:

May 4- Fishing tournament at Alcyon Lake

May 5- Youth Council at Borough Hall

May 6- Movie night at Broadway Theater

May 8- High Elevations night

May 9- Track and Field day at Pitman High School

The committee is looking and is open to any ideas/suggestion to making this week as great as possible (including possible options for the open day on the 7th).
