

# UI Work Search Waivers

## Time to Reconsider

In June, 74% who lost/ended jobs indicated temporary layoff

[BLS unempl. survey; "Other" includes job Leavers, Reentrants & New Entrants](#)

Total "Job Seekers" grew in June

[BLS unempl. Survey; "Other" includes job Leavers, Reentrants & New Entrants](#)

Job openings remained steady in May

[BLS JOLT Survey](#)

- Waivers in many states given to those not on furlough
- Many states have now reinstated work search requirements
- Research shows that eliminating work search requirements extends unemployment
- This month, those laid off in March will become long-term unemployed (6 mos unemployed)
