

# HORSEMANSHIP CLINIC WITH BRIDGET SULLIVAN

AT CLASSIC BAY EVENTING, HONEY BROOK PA

10am - 3pm - Sunday June 4th, 2017 (Rain Date June 25th)

**Whether you ride english or western, for fun or competition, on the trails or in the ring, we can help you gain confidence, increase communication with your horse, and refine and soften your aids! All levels and disciplines welcome.**

We will begin on the ground learning to control our horses' feet, move his hindquarters and front end independently and start to develop timing and softness. We will also start to teach the horse to accept tarps and flags with confidence and relaxation.

After lunch, we will transfer what we accomplished on the ground into the saddle. We will learn how we can soften our communication and aids to gain control of our horses feet and start to develop softness through the mouth.

\$125 per participant — \$50 non-refundable deposit due by May 22  
Mail check to Doris Hutchinson at 30 Blakely Road, Downingtown PA, 19335  
Auditors welcome \$20 at door - Hour lunch break, lunch not provided
