President's Piece

September 2016

Dear SBOC members, friends and colleagues:

It's hard to believe that we are closing in on the end of summer. I must admit that I am looking forward to fall and hopefully a bit of a slowdown in construction activity!!

Thanks to all who attended the SBOC Lake Michigan Dinner Cruise celebrating SBOC's 70th Anniversary. The Chicago skyline & fireworks were beautiful, the weather cooperated and a good time was had by all.

Thanks to all who emailed and faxed in their registrations for the 2016 SBOC Golf Outing being held Friday September 16th. We have a record number of golfers this year!! There is only one tee time left and that is for 1:45. If you are interested, email or fax in your registration ASAP as this is first come first served availability and one more foursome is all we can accept. Info is at bottom of the golf registration form (e-mailed & on the website/events). For those who registered already, please look for an upcoming e-mail outlining the tee time and foursomes.

Finally, please note that our **monthly membership meetings and lunch training sessions start back up this month!** We have a very informative session by SecureView on residential blight solutions & alternative board-up options that I am sure you will find very interesting. Please plan on attending.

As always, you can keep up to date on SBOC activities simply by visiting our website: www.s boc-7.com where you will also find the link to our new Facebook Page!! Or you can find it by searching Suburban Building Officials Conference from your personal Facebook account. Please visit the page and give it a like!! You'll receive meeting information, training opportunities and other important announcements!!
