JOB ANNOUNCEMENT

Hamilton-Madison House (HMH) outpatient mental health clinic is seeking to recruit a Staff Psychologist who will be responsible for direct clinical work with clients in the outpatient mental health clinic, with a priority focus on those in the CONNECT program. HMH outpatient mental health clinic is a clinic identified by the Department of Health and Mental Hygiene (DOHMH) as a high need area. As such, it has been selected to participate in the CONNECT Demonstration Project to provide rapid access to mental health services in a more flexible and holistic way with the community and the whole person outside the clinic walls and beyond the traditional doctor/therapist-patient interaction. The position may also include supervisory & research opportunities, as well as maintaining partnerships with other organizations on service delivery and outreach efforts.

Minimum Qualifications:
- Doctoral degree (PhD or PsyD) in Clinical Psychology, Counseling Psychology, School Psychology, Forensic Psychology or Neuro-Psychology
- A valid licensed as Psychologist issued by the New York State Department of Education
- Effective interpersonal and critical thinking skills
- Clinical experience working with individuals with mental illness and/or substance use in a diverse environment preferred
- Knowledge and experience related to crisis planning
- Bilingual preferred

Responsibilities:
- Conduct intake assessments, evaluate symptoms and treatment course, crisis intervention, and discharge planning
- Ability to meet with clients in an office-based setting, virtual platform, or in a community setting
- Provide individual and group psychotherapy using different modalities
- Conducting specific psychological testing and extended psychological assessments to aid in treatment recommendations
- Ability to collaborate and coordinate care with a multidisciplinary and diverse treatment team
- Ability to work with an underserved and diverse group of individuals, including substance use and/or justice-involved, etc.
- Provide after-hours crisis intervention on-call services on a rotating basis
- Maintain medical records documentation according to HMH, OMH, and/or OASAS policies and procedures
- Providing clinical supervision and teaching on evidence based treatments as needed
- Attend case conferences, program and division wide meetings as necessary
Supervision of trainees in diagnostic assessment and psychotherapy as needed

**Compensation:** Commensurate with qualifications and experience

**Hours:** Monday to Saturday, 15 - 30 hours per week

**To Apply:** Submit your cover letter and resume to Human Resources
Fax: 212-349-2793
Email: hrdept@hmhonline.org
