

A note from the President:

We are already one month into the new year and there are some new things to be aware of and a few events happening around us too.

The club meetings are now the third Wednesday of each month. This month (February) was to be in the north county but the Atascadero Library already has both rooms booked so we will again be in San Luis Obispo at the IHop.

The Brass Oaks Website has been updated by myself and my husband, Aleks. Please check it out and let us know if anything needs improved. The Wilde family did a very nice job of getting it set up last year but we are always looking to add pictures of our members at work or play with their horses.

Linda Fairbanks has stepped in to fill our Treasury position, for the club, and I am very happy to work with her again.

At the last meeting, it was suggested to participate in the SLO Horse Expo at the Madonna Expo Center on the 21st of February. The idea was well received and the club will have a booth at the event. Please come and check out the Expo and hang out a while at the booth.

So far, the club does not have many club events planned for the year. I will have a "Hats and Wildflowers" drive hopefully in April and a "Turkey TROT" in the fall, but out side of that we don't have anything in the works. We are going to try to keep Memorial Day weekend at Twin Rivers and drive for fun on that Saturday or Sunday. Both Ann (in Arroyo Grande) and Linda (in Paso) have offered the use of their facilities if someone wants to organize something. For example, a "de-spook" day or a cones practice day and/or dressage practice or what ever idea you have.

The Central Valley Harness Association has a Continuous Drive the last weekend of February. Please consider supporting them either by entering, sponsoring, or volunteering.

The Whip'R Snappers driving club, in Southern California, is having quite a few events this year from an Arena Driving Trial (this month), to Pleasure Days (in June).

Kathy does a wonderful job with our newsletter every month. I'm sure the club would love to see YOUR stories included in the newsletter. We all have, or have had, animals that I'm sure have given us a few stories! Make them short, make them long, just consider sharing some of them. We have members from all driving styles and both newer and, um, founding members and everyone in between. Plus the Carriage Association of America is having a newsletter competition sometime this year. Let's share our love of driving!

Cluck Cluck and Clip Clop

This past fall Aleks and I raised about 75 chickens. Most of them were meat birds that we processed but we had about 20 laying hens that we sold as they neared laying age. One Sunday, our neighbors who live about 3 miles away, wanted 2 of our pullets to replace some hens that they had lost. I was wanting to drive Jacopo, that morning, and Aleks was going to deliver the pullets by pickup and then try to catch his football game on tv. I had put Jacopo to my wooden two wheel cart that has space under the seat for a basket. Aleks saw what I was driving, and he said "Hey, the chicken carrier would fit under the seat!" So, we put the chicken carrier under the seat and drove over to the neighbors to deliver the chickens. The chickens were nice and cool under the shaded and well ventilated seat and I drove while Aleks watched his football game on his phone. It was a "Win Win" all around and a great way to spend a morning.

CENTRAL VALLEY HARNESS ASSOCIATION Presents: A CONTINUOUS DRIVE AT FRESNO HORSE PARK

FEBURARY 25-26, 2017

Organizer: Phyllis Rumley

Secretary: Kathy LaChaine

Judge: TBA

The continuous Drive is designed to have fun. Saturday morning the fun begins with a 2 or 3K Marathon, followed by a Dressage test followed by another 2 to 3K marathon followed by Timed Cones Course. Each Marathon will have 2 or more obstacles on course. The whole drive will take about an hour.

The day is divided into two parts: you drive for one part, and then volunteer for the other part. Then just for fun, you get to do the whole thing over the next day! In between time, you can hang with all your driving friends or drive on your own.

Come and have fun, practice, and test your skills.

Awards and prizes will be given out.

This is going to be the event to start off the 2017 year -- don't miss it! We will have some fun, and of course it will rain, but it always rains at RAM TAP. Even if it doesn't rain we will have water obstacles that make mud and fun.

<u>Treasurer Position</u> – Gloria reported that Linda Fairbanks has volunteered to serve as club Treasurer this year. She may be unable to attend some meetings but will prepare a monthly report to be presented at each meeting. The cost is \$150 to rent a 10x10 booth. It was agreed by M/S/C that we should participate in order to publicize what carriage driving is about. A table will be set up with newsletters, brochures, driving magazines, slide presentation, and it will be manned by Diane Kastama and other club members. Stephanie Szabo asked if she could set up a table in our booth and pay the club half the rental fee. Members in attendance agreed. It was also suggested (if there's room) that we have a mini carriage on display.
