

THE ASTRONOMICAL JUBILEE

PLAGUES UPON THE LAND & PHARAOH JUDGMENT

Prophetic Countdown to the Year of Release

'The Spirit of the LORD is on Me, because He has anointed Me to proclaim Good News to the poor. He has sent Me to proclaim Freedom for the prisoners and Recovery of sight for the blind, to set the oppressed free, to proclaim the Year of the Lord's favor.' ...He began by saying to them, "Today this Scripture is fulfilled in your hearing." – Luke 4:16-21

The purpose of these studies is to consider an astronomical and planetary overlay of the time period counting down from the liberation of Jerusalem in 1967. The timeline will be calibrated to several Biblical connotations for multiple associations relevant to the End of Days most notably that there is a coming Jubilee War at the end of the 49th year from 1966, which is the Jewish year of 5776. The timeline since 1966 that these studies suggest was a Jubilee year will show astronomically the 7 prophetic weeks of years corresponding to the Sabbath cycles. The timeline to start out the patterns will show the 7 planets that correspond to the Menorah pattern as it relates to the Jupiter event of the comet Shoemaker-Levy.

This Jupiter event occurred in the midst of the Jubilee cycle corresponding to the middle 'week' in 1994. This 'piercing' by a comet upon Jupiter, the planet of Messiah event had echoes of Calvary just as Messiah was pierced and 'cut off' the midst of the week. Based on these overlapping associations, this study suggests that there is also a reflection or prophetic pattern that alludes to the 7 fold dispensation of the Church Age having a Jubilee prophetic pattern and cycle to it. This prophetic pattern suggests that the Church Age has its own parallel pattern of the Jubilee 49 prophetic year countdown to the conclusion of the Great Commission. The prophetic time correlates to the 7 Churches of Asia and their 7 week allotment of prophetic time since Pentecost in 32 AD or thereabouts.

This Jubilee pattern constitutes each of the Churches as a 'week of time' $(7+7+7+7+7+7+7 = 49)$ culminating in the prophetic Year of Release, i.e., the 'Jubilee' that could be the Resurrection and Rapture of the Bride of Christ, where simultaneously a Covenant is consummated, a Covenant is begun based on war. Why war? It is because the notion of a Jubilee has thus far been accompanied by war in Israel. The Rapture is part of this multifaceted layer of prophetic convergence of timelines that this study suggests will occur simultaneously with the Church and Israel perhaps.

Jubilee Cycle of Release Typology

This transmittance will be as it was with the Israelites and Egypt during the time that the Plagues were unleashed upon the land and Pharaoh was judged. As the Church Age ends and the timepiece is transferred to Israel, it will be a 'release' of the final reprieve for the Bride of Christ. For Israel it will be a false sense of release due to the Covenant promising a Peace and Safety that will instead be a war as it was sprung on Yom Kippur, exactly 7 years after the September 24, 1966 Yom Kippur Jubilee count.

The point is that the subsequent 7 year cycle from the September 23, 2015 Jubilee on Yom Kippur could be the initiation of the transference year or the start of it. Not the least of which this confirmation of the Covenant will not last and will be broken likewise in the midst of the prophetic week of the Tribulation period. If the pattern is reliable and valid, it will be a mirror of itself, an end and a beginning.

This convergence of timelines is suggested to occur in 5776. Perhaps it could parallel how the Hebrew nation was spared the Plagues as Egypt was judged simultaneously during the Exodus and Passover specifically. As the time of freedom and liberty was granted to the Israelites, the nation of Egypt suffered the Plagues upon the land and was destroyed as its prideful Pharaoh was judged. In essence it was a declaration of war, mutually by Pharaoh and YHVH.

This study is suggesting that both the Church Age's end of its Great Commission of the Witness on Earth of the Gospel of Jesus Christ could be synchronized to the literal 49 year countdown of the Jubilee Year for Israel based on the liberation of Jerusalem in 1967. It is when this witness of the Church Age is concluded that the subsequent Witness will ensue, that being of the 144,000 Anointed and the 2 Witnesses per the Book of Revelation. Whether the 144,000 Anointed and the 2 Witnesses overlap remains to be seen.

The point is that the Church's Great Commission and Witness is a Covenant. It was made by Jesus with His Disciples at the Last Supper on the eve of Passover symbolized by the Bread and the Wine. This Covenant is the New Covenant contract that also is a type of a marital contract between Jesus, the Groom and the Disciples. Thus the representatives of the Bride cannot overlap Israel's Covenant of Death as the Book of Isaiah puts it.

The coming 'confirming of the Covenant' will be for Israel as a marriage covenant with the false Messiah. The 7 years of the Tribulation period will be initiated by the Covenant with the Many because the Church's Covenant has been fulfilled. The Jubilee is about fulfilling a Promise of a Covenant. Israel's new Covenant with the false AntiChrist will 'release' Israel and give her the 'freedom' to build its 3rd Temple but under false pretenses. The 'freedom' in actuality will be an enslavement of not only Israel but the entire world.

The Final Jubilee?

The promise fulfilled to the Church is that its Covenant releases the Church when it is completed as the Spiritual Temple. This work has represented the Church Age throughout the prophetic 49 years of 7 Churches as Christ Jesus has been 'building' her as a Spiritual House. The coming 'confirming' of a Covenant between Israel and *the Many* will constitute in the last dispensation wherein the Witness of the Gospel of Jesus Christ will be passed on to the stewardship of Israel as it was before the Church Age.

This transition will be as it was depicted when the mantle of Elijah's power and witness was passed on to Elisha as Elijah, a type of the Church was raptured up to Glory. There are those that believe that the Jubilee count cannot be fixed or calculated correctly due to varying Jewish calendars and lost benchmark of the count. Others believe that regardless of such speculation the ultimate Jubilee will be fulfilled at Jesus Christ's 2nd coming. Others believe that the Jubilee year is in 2017 for various reasons such as the Great Sign of Revelation regarding the Virgo constellation or the calculated years based on the star alignments of the Pyramids of Giza. This study will present some suppositions that negate this theory.

The 2nd part of the Jubilee, as declared in Isaiah 61 is what Jesus will return to accomplish. The Bride of Christ will be witness to this at the Battle of Armageddon, at the end of the 7 year Covenant. Regardless, if Jesus comes at the end corresponding to a Jubilee, it has to necessitate an end of a 7 year cycle, thus the Tribulation period cannot be a mere 3.5 year duration that many assert it to only be.

This study highly suggests that the countdown from the liberation of Jerusalem in 1967 will be the last prophetic Jubilee cycle before Jesus' 2nd coming. It will be the first to occur since Old Jerusalem came under Jewish control. The following are some amazing Jubilee related day counts.

Jubilee Time

Using a 360 day year calculation

Jun 7, 1967 + 49 years = 17640 days

*17640 days + June 7, 1967 = **Sep 23, 2015** Yom Kippur*

From Sep 24, 1966 Yom Kippur Jubilee

to Sep 24, 2015 Yom Kippur end date included

*= **49** years exactly*

or 2556 weeks 5 days

The Jubilee pattern emphasis, in one sense is based on parallel Biblical patterns of the Plagues of Egypt and the subsequent liberation of YHVH's People out from the nation of Pharaoh. The timeline suggests that the Year of Release or Jubilee could coincide prophetically in a 2 fold manner. The day remains to be determined.

For the Church, it could be a spiritual release, as in the Rapture just as the Captives of GOD's People in Egypt were released. Moreover this event could simultaneously involve the Judgment of the Nation and its Pharaoh as part of the 'Sudden Destruction' supposition. For Israel it will be not a release but the beginning of the culmination in a national judgment initiated by the Covenant with the Many.

Instead of delivering 'Peace and Security' it will eventually bring bondage and the Time of Jacob's Troubles. From Yom Kippur of September 24, 1966 to Yom Kippur on September 23, 2015 is the start of the 50th year. These series of studies are not insinuating that exactly at that time the convergence of events occurred. The point is that the Jubilee itself is based on patterns and types and 5776 is thus a 'capstone' year. In other words it will be an end to a thing and a beginning to another. The start of this coming transition could occur based on 3 prophetic facts that will be presented. In one scenario, the Rapture could occur first but during that Jubilee year sometime subsequently.

The Covenant could be 'confirmed' but sometime in after or 2016; it remains to be seen. What is undisputable is the irrefutable fact that presently, there has been a 49 year countdown to Yom Kippur 2015. It matches the count that happens to coincide with the liberation of Jerusalem in 1967. Why this is prophetically monumental is that not since 70 AD had the Temple Mount been under Jewish sovereignty and this year coincides with 5776. The liberation of the Temple Mount one of the 3 prophetic events that this study suggests lends astonishing credibility to the notion of a coming convergence of timelines to 5776 that will begin the concluding judgment of Israel and that of the nations based on Daniel 9. The picture above shows the highest Rabbi at the Temple Mount. He in essence functioned as the High Priest blowing the shofar at the Western Wall of the Temple Mount on June 7, 1967 (5727).

However, the administration of the Temple Mount was given over to the Muslims as an appeasement by Moshe Dayan. This study suggests that a possibly Jubilee war could occur with Israel in the 5776 over such an issue. The issue could also involve the dividing up of Israel in the Land for peace stipulation of the Oslo Accords. To some, this is the 'Covenant' already established to be 'Confirmed' with the 'Many' that will allow for the building of the 3rd Temple as either a concession or as a spoil of a war. This could be then ~3.5 years before 70th Anniversary of Israel's 1948 statehood and the 70th year that the 2nd Temple was desolated.

As it pertains to the Jubilee and judgment, notice that the Jubilee of September 23, 2015 occurs 10 days after Rosh HaShanah, 5776. This is the New Year in which the Jewish year 5776 will be proclaimed. This has echoes of 1776 in that the proclamation came with war. Will such a parallel also be occurring at this time prophetically? As a typology of the Jubilee release of Israel from Egypt, the 10 Plagues took 70 days to completed, if the first 7 day judgment that is given is attributed to the rest as a pattern. The Exodus from Egypt on Passover could thus be seen as a Jubilee type. Thus the Year of release could also be a type of the Rapture as Israel was 'snatched' out from Egypt.

The other irrefutable prophetic events that will be touched upon are the comet collision of Jupiter and the Jubilee Pattern itself as it converges on the last 7th Sabbatical cycle of 5776. It is the hypothesis of this study that the Jubilee Year starts on Yom Kippur in the 2015 going into 2016. Many believe that the 3rd Sabbatical cycle since the Jupiter event signaled the 3-2-1 prophetic countdown to national judgment of the USA in particular with Plagues upon the land and Pharaoh being judged. In the Jewish calendar, the year is 5776 which echoes America's 'freedom and liberty' of 1776. This is how America is tied to End Time prophecy and Israel although many would disagree.

In one aspect, the USA's Independence was like a Jubilee in the New World, a New Nation that was birthed bringing 'freedom'. In another parallel of America to Israel, geographically, America had 13 Colonies as Israel had 12 but incorporated the 2 sons of Joseph, etc. Then America was divided between the North and South as was the Kingdoms of Israel in the north and Judea in the south. On another level of interpretation, America can currently be likened to the oppressive Egypt system of the Exodus time. This will conversely be as if America is Egypt that was judged for repressing the People of YHVH. This study suggests that America has prophetically had 3 renditions of a Jubilee Year of release.

For America, the 1st connotation to a prophetic 'freedom and liberty' Jubilee type was at its birth in 1776. The 2nd connotation was during its Civil War with the Emancipation Proclamation. The 3rd and last connotation deals with a Jubilee release of the Rapture of its Christians. This comparative correlation is based on the supposition of the intensified persecution of Christians in the USA that is occurring in a more sophisticated and subtle way through laws primarily and political correctness. This notion also has in a broader scope persecution of Christians around the world, primarily in the Muslim countries.

This would be hard to comprehend and reconcile as the virtues espoused by the ideals of America is what has made the nation great among the nations of the world, truly 'Out of Many, One'. In practice, the true power lies in the shadow government that directs foreign policy as its government has been co-opted by the enemies of Jesus Christ and of true 'liberty and freedom'. Such have been using the U.S. Military to push their Luciferian agenda upon the world. For example, it has been the USA led initiatives primarily at the bequest of Obama's handlers in having the wars in the Middle East occur in preparation for their coming AntiChrist.

The justification to 'save' Christians' from the murdering Muslims in Syria and Iraq –that is ISIS is none other than an armed al-Qaida that morphed into ISIS and trained by the USA. These sons of Mohammed are the very ones that have been murdering, beheading, and raping the Christians. It is a prime example of a Full Spectrum Dominance operation presenting that is being presented as 'saving the Christians' of Iraq to go into Syria to actually destroy them as a collateral benefit in toppling Assad.

The point being is that since most of the Christians are concentrated in the USA, the Rapture will be as a 'freedom and release' from the clutches of Obama, a type of the Pharaoh that knew not Joseph or his GOD, YHVH. Like Egypt of Exodus, the USA and its proud Pharaoh are beginning to see their end with the Plagues now with Ebola having been released upon the Land and the Judgment of its Pharaoh, such is the case now. This military genetically engineered bio-weapon, Ebola has had outbreaks before in Africa.

It is naturally common amongst guerrillas for example but the strains seen today are clearly manipulated as beta tests. What is different now is that there is an apparent escalation to have the virus spread through the open and vulnerable soft underbelly of the USA, i.e., its southern border. Such viruses become airborne and will be part of the coming mass forced vaccination and quarantines based on Obama's signed executive orders.

Big Pharma stands to make billions on these new vaccines if implemented. Slowly but surely such event like the Plagues, shootings, 9-11s are but a means to concentrate all power to the Pharaoh that like in Egypt, the Israelites, as GOD's People carelessly found themselves enslaved to.

YHVH's people found themselves in bondage to the evil and cruel Task Masters as their weapons were confiscated and were powerless to defend themselves. If by neglect, apathy or conspiracy, it occurred gradually overtime. During the time leading up to the Exodus in Egypt, the Task Masters were Jews, Hebrews themselves who sold their countrymen to the 'federal' system of Pharaoh. Such were employed by the state to subjugate YHVH's People.

Slowly but surely, YHVH's People found themselves enslaved to the government through labor, dependency and taxes. It is no different now in that many Pastors of Christian congregations across American have compromised their Flocks and in reality are no better than Federal Task Masters of the likes in the Exodus account. Many do not realize that the reason for 'membership' in a church is to obtain tax-exempt status and the 'list' is required of the Federal government. As it is now, FEMA works with Clergy Response Teams whose sole purpose is to herd their Flocks to the coming concentration camps that eventually will be set up with gas chambers and guillotines.

It is becoming all too evident that these crisis-respond-solution events will be part of the measures needed to be put in place to handle the masses when the U.S. economy collapses and in turn tailspins the world into a need for an economic reset. The collapse is scheduled to occur, perhaps sometime in 5776 and to coincide with the end of the Sabbatical cycle and end of the Jubilee count. This 'freedom and liberty' will bring the judgment upon spiritual Egypt, i.e., the USA and its President. Why this study strongly infers a connection between the USA and the Jubilee is because the USA is where the Stock Market is housed.

The New York Stock Market controls the world's economies through their Central Banks and shadow governments. Perhaps as the USA began, it will end with such a Jubilee based on the undoing of its economic hegemony over the nations as was Egypt. The nation's economy that was the bread basket of the ancient world collapsed as the true 'freedom and liberty' of YHWH's People occurred simultaneously. The following are some unique Market Crash Cycles year counts related to the Jubilee pattern and Yom Kippur that appear to synchronize with each other.

1973 1980 1987 1994 2001 2008 2015 2022
 7 7 7 7 7 7 7 years = **49** years

*From Sep 24, 1966 Yom Kippur = Jubilee
 to Oct 06, 1973 = ~ 7 years*

*From Yom Kippur Oct 6, 1973 + **49** solar years
 = Yom Kippur of Oct 6, 2022*

*From Sep 23, 2015 + 7 years = **2022***

There were 7 years from Yom Kippur September 24, 1966 to the Yom Kippur War in 1973. Thus if there was a 7 year period from 1966 to the Yom Kippur of 1973 that saw a war, could the 7 years from 2015 see a war likewise or an escalation in the Middle East conflict? The 49th year ending on 2022 started on Yom Kippur 1973. The 7 year cycles have corresponded to the major Stock Market crash cycles. Many thus believe that the USA, whose economic monopoly controls the world as the evil and cruel Task Master as in Egypt of the Exodus has begun to be judged by the Plagues now unleashed upon its Land and its 'Pharaoh'. If the Biblical narrative plays-out, then Obama will harden his heart until the nation is divested for the treatment of YHWH's People. As it was then, it is even now how Pharaoh wanted population control and forced 'abortions' upon YHWH's people, among other things like gun confiscations.

Many believe because of the abortions upon the land since Roe vs. Wade, judgment of America will come eventually. It is estimated that in the USA only, more than 70 million unborn babies have been aborted or murdered. Thus only as a type, perhaps YHWH's People will see this prophetic Jubilee in the form of the Release as the nation is destroyed much like Egypt was because of this sin of Egypt. The USA is like Egypt even topographically. One could consider the Mississippi river and its delta as a mirror of the Nile delta. As the Nile runs to the sea going northward, the Mighty Mississippi runs southward off the same latitude.

All along the Mississippi, one will find the same names as those in the Nile. The most prominent city would be that of Memphis where there is actually a pyramid at the edge of the river. The rivers of each nation are also geographically approximating a phi ratio proportion of the land as in the USA's case from coast to coast. America has a peculiar history of making Covenants with the All Mighty, foremost with the Declaration of Independence related to 1776 and the Liberty Bell. George Washington consecrated the new nation at Ground Zero in New York City by a Covenant.

It was at this precise place and end of the Sabbatical cycle that the Covenant with America was attacked on 9-11. Currently for America, there is a battle for her soul. The contention is over which Covenant will prevail, YHVH's or Lucifer's through the Masons 'Great Work' for example. Later on, President Lincoln signed the Emancipation Proclamation that like a Moses, released approximately 3 million African slaves as a covenant. It was signed on the 88th year since the July 4th, 1776 Emancipation. This 3 million number approximated the same number of the Hebrews that were slaves and released or emancipated by Moses.

Thus it is not a stretch of the imagination to associate the coming Year of Jubilee 5776 with the national judgment of the USA and its President as a type of Egypt and Pharaoh as a type of Abraham Lincoln on the other. As to Egypt, are the People of YHVH, oppressed spiritually for the most part are about to be released, as in the Rapture? Consider that most would agree that the highest concentration of Christians are in the USA. These attributes of the coming judgment upon the land are but a glimpse into the spiritual contention between the light and the darkness, those that wish to enslave and subjugate and those that wish to pronounce 'freedom and liberty'.

Will Obama see the same fate as Lincoln? What is also becoming clear is that the American people themselves in general have been conditioned now to be intolerant of Christian ideals and principles as they are equated with bigotry, homophobia and racism. It has gotten to the point that if preachers associate such activities as abortion, illicit sexual practices, deviant definitions of marriage, etc., as sin, it is a hate crime and punishable by prison. What is light is now darkness, what is good is not bad, etc.

This study is suggesting that the Rapture event could thus be based on the Biblical Jubilee patterns to either correspond to a Feast, an eclipse event, a Pentecost or Yom Kippur timeframe. Nonetheless, the year 5776 appears to be a convergence of prophetic timelines and it will be a prophetic milestone for Israel that could signal such events either leading up to it, or soon after. There will be 3 possible dates that the Jubilee patterns for a Rapture event points to as only a type and shadow. The 1st pattern would be on a Passover as the Israelites were liberated and left Egypt on the last Plague that was pronounced.

Judgment upon the Land and of its Pharaoh

The 2nd date would be Pentecost as the 49th year leads-up and corresponds to the 50th day that involves the birth of the Church, set free for the Great Commission. This time and type also corresponds to when the Israelites reached Mt. Sinai and the Covenant of Marriage, of the Law was ratified and implemented between Israel and YHWH. As to the Church Age, it has had its own 49 prophetic Jubilee count of 7 weeks of dispensations relative to the 7 Ages or Churches of Asia. Perhaps the last Church Age of Laodicea will witness the final 7 prophetic Week and end of the 49th Year Great Commission to be completed in 5776. This 7 fold Witness of the Church's Great Commission has occurred since Pentecost but in 'bondage' prophetically speaking like the Israelites where in Egypt until the last prescribed day was fulfilled.

As the Israelites, the Church is still in the domain of 'Egypt', the land of the spiritual Pharaoh, Lucifer the god of this world. The 3rd and last pattern is at a Yom Kippur itself as this is the date in which the Jubilee was pronounced by the High Priest going into the Temple Holy of Holies to propitiate the Blood as there was 'silence for ½ hour'. This Yom Kippur feast as a type and shadow is exactly what is occurring in Revelation 4 when John is summonsed behind the curtain before the Heavenly Holy of Holies and YHWH's Mercy Seat. Thus could the Rapture follow this same sequence and timing?

It is Jesus, as the High Priest that presents His own blood, at such a time. In some mysterious and glorious manner the Bible teaches that Jesus on a Yom Kippur type of prophetic day is when He presented His own blood behind the veil as it were in the celestial Holy of Holies. The Jubilee timeline down here on Earth as it pertains to time and space also has an 'echo' of Calvary in a 2 fold manner. One, the planet Jupiter corresponds to the Messiah with the comet collision that occurred in 1994, the middle year based on a Menorah pattern of years spanning the Jubilee prophetic cycle.

Two, Messiah was crucified on Passover in the midst of the week, Wednesday. Then 49 days after His resurrection, the Holy Spirit was 'released' to the Church on Pentecost. This 50th day span parallels the 50th year time-span of the Jubilee. This study suggests that as the liberation or 'release' of the Temple Mount that was secured during the 6-Day War on Pentecost, perhaps the Jubilee will ensue a prophetic 'release' of YHWH's Spiritual Temple, i.e., His Bride in similar way. This could allude to the Rapture of the Bride as was Israel released from the bondage of Pharaoh in Egypt although that release corresponded to a Blood Moon Passover.

It was on the 50th day later on Mt. Sinai that the Law was given and the marriage betrothal Covenant between YHWH and Israel was ratified. As far as the Church Age is concerned it could parallel such a pattern in time with a countdown from the Blood Moon Passover and then a 50th day thereafter on the Heavenly Mt. Zion consummating the marriage of the Bride of Christ. The opportunity of such a possible Blood Moon pattern of Passover to Pentecost is yet to be determined. This study is not insinuating that at that time the countdown to a Pentecost will constitute the Rapture event but that if the pattern from the April 14, 32 AD Blood Moon a particular eclipse could be very significant. Peter did associate such with Pentecost.

For example, the next 4 Blood Moon Tetrad will not occur until 2034, exactly 19 years from the Tetrad of 2014-15. As the Blood Moon of the 1st Passover in Egypt and the corresponding one on the 14th of April 32 AD was about a divine judgment and release. Will a coming Blood Moon or solar eclipse bring such an omen against the 'Land' of a prelude to a coming judgement and release; perhaps a coming Jubilee War? This study does take the position that the Bride will be released before the Wrath is to come with full vengeance and that it could coincide with a Jubilee Year. The Jubilee Year is proclaimed on Yom Kippur of the 49th year. The 50th year is always the 1st year of the next 49th Jubilee cycle.

The entire Jubilee cycle is comprised of 7 segments of 7 years to equal 49 total years. Due to the discrepancy of the Gregorian calendar, the Jewish year encompasses a span between 2 calendar years. Thus the 50th year 5776 is from Rosh HaShanah 2015 to Rosh HaShanah 2016. This 'Year of Light' 5776 as in 1776 is the culmination of 7 segments of time and are anticipated by many Bible scholars to be 'prophetic' and are seen as 'Weeks of Years'. They follow the pattern given to Moses for Israel to observe by YHVH based on the Creation Week and the Sabbath as its seal of authentication that it was of the Creator YHVH.

Such segments of time are also considered Sabbatical cycle with the 7th culminating in the Year of Release where specifically, all the Land was returned to its original owner. Besides having debts cancelled all the slaves as in 'bond-servants' were freed. This economy would ensure that there would be no perpetual abuse of slave or forced labor, usury and thievery in the nation of YHVH's People.

This condition for 'Freedom and Liberty' did not occur for Israel nor has. Astronomically, what this study is presenting is that the entire 49 year period is also pegged to eclipse patterns that are amazingly symmetrical and correlate to the Menorah pattern of 6 arms and 1 stem. The bookends are the Temple Mount and what this study strongly suggests based on the prophetic pattern is that the 3rd Temple event is to occur.

This is based on the reverse judgment upon the Temple, the City and the Nation as disclosed by the LORD Jesus on the Mount of Olives. Pictorially, the center stem corresponds to the Milky Way, vertically with Jupiter as the center stem. What is very peculiar is that astronomically the Jubilee 49 year pattern is bookended by Tetrads. The focal point or center year is 1991 which is a mirror of itself even. They occur also at the phi ratio proportions and when mirrored to 1994 as opposites. The Tetrad of 1967-68 was associated with Mercury at its beginning of the pattern as the Tetrad of 2014-15 is associated with Uranus at its end.

This planetary pattern exactly matches the order of the planets, each corresponding to the color spectrum and peculiarly Jupiter as the planet of the Messiah that corresponds to the center stem. This position would correspond to the Servant Stem and the year 1994. The center stem year of 1994 that astronomically correlates to the planet Jupiter is the year in which Jupiter was pummeled with comet Shoemaker-Levy.

This to many was a prophetic sign to Israel and the world of pending 3-2-1 judgment as the event that is associated with the planet of Messiah had echoes of Calvary where Jesus on the Cross, as a 'Jupiter' was pierced by YHVH's complete judgment in the midst of the Passover Week.

As it has been noted, the timing of the Rapture of the Bride of Christ could be tied to the Jubilee Year of Release in 5776 as the 'capstone' year. As it has been noted, the context of this time frame could be the 'Peace and Security' many are extoling even now but could be a disguised Jubilee War. It was a release from Pharaoh, from the Land, the Plagues as the People were bestowed with the plunder. If this pattern is indeed prophetic then it will be Israel that will stand to obtain a spoil of the coming Jubilee War against its Muslim confederacy. For the Bride of Christ, this would simultaneously perhaps encompass the Rapture and subsequent rewards at the Bema Seat of Christ.

There is an interesting esoteric painting that depicts a woman in a portal or 'gate' being 'raptured' up. This painting is at the Bank of America in Charlotte, N.C. The event coincides with a total solar eclipse and a comet intersecting the same time period. The context is Egypt with Pyramids in the background as in the possible Year of Release from Bondage and Pharaoh. As the 'Bride' is at the background, the child is being introduced to the forefront to prominent world leaders, much like an Obama personage. Some attribute this depiction of the coming and the unveiling of the Prince AntiChrist.

Jubilee Omens

This false Prince is to rule the New World Order or Daniel's last rendition of the 4th Beast made up of 10 Horns from which this 'Little Horn' arises from. Astronomically, a 'Jubilee' can be attributed to several Signs of the Mazzaroth or Zodiac. In particular, there is a Jubilee and Rapture theme in the constellations that depicts such a bondage and deliverance to take place. Astronomically Andromeda typifies the current Church Age of the Bride of Christ, although in Christ Jesus, she still is in bondage in the sense that she is behind Enemy Lines, in the Land of Spiritual Egypt with Pharaoh or Lucifer as his evil Task Masters that are allowed to persecute the Church.

Like the Hebrews of Egypt, one day she will be released perhaps to coincide with a Jubilee; if at a Passover or Pentecost season or other. The Chained Woman is attached to Pegasus which signifies, '*deliverance comes swiftly*' according to the Biblical interpretations of E.W. Bullinger. Pegasus is a horse with wings that alludes that the Chained Woman will take flight at her 'Jubilee' time of release from the bondage of the Earth and its Pharaoh. The Bride will be transformed as she is taken to the Pavilions of YHWH's Temple in Heaven where she will sit next to the King of the Universe as the Court in Heaven comes into session to open up the Seal judgments.

At that point Andromeda, once bound but released is transformed into the Enthroned Woman Cassiopeia that will witness the breaking of the 7-7-7 fold Seal judgment against her Accuser, Lucifer. Astronomically, Cassiopeia typifies the future state of the Bride of Christ Jesus, released from bondage. She takes her seat in the Court of Heaven as the type of the 24 Elders. This scene is shown to Daniel in chapter 7 and John in the Book of Revelation. She will be next to the King of the Universe that will be in session to adjudicate the Bride and sentence the Dragon, Lucifer legally out of Heaven, that will be cleansed as a type of Leaven from the House and expelled to his eventually destiny of the Lake of Fire.

The timing of the Year of Release was to be a blessing for YHWH's People. It was an anticipation of hope, of 'Freedom and Liberty'. Such was the prescription of Exodus with Moses and the Kings of Israel within the Promised Land. Ultimately, the greatest Jubilee, as a type came in part when the prophetic time coincided with the birth of Messiah. The literal prophetic fulfilment of the Jubilee started with His public ministry. Jesus proclaimed the Year of Jubilee to be fulfilled in the hearing of the Elders of Zion as Jesus read the Tanakh in the Synagogue of Nazareth.

This Jubilee would be the year of release from Humanity's sin condition and bondage to Lucifer. Sadly for YHWH's People, they rejected Jesus and thus their opportunity for their Jubilee that is spiritually foremost from sin, death and the type of Pharaoh that Lucifer is. Israel as before, stubbornly refused the LORD's precepts and rather chose to go into captivity and in bondage as with the Diasporas. Thus Israel was judged instead at the hands of the Romans and exiled to the nations. Based on some interpretation of End Times, Jesus alluded to there still being a future time to finish Israel's punishment and an ultimate Jubilee at Jesus Christ's 2nd coming at the Battle of Armageddon.

Based on the year count, the 2nd coming of Jesus will not technically be a Jubilee but only in principle as Israel is rescued by Jesus, their Messiah from the assault of the AntiChrist as Jerusalem is surrounded. Some believe that this next coming Sabbatical 7-year cycle starting in 5776 correlates with the unfinished prophetic Sabbath cycle of Daniel's 70th Week. This is not taking into account any 'gap theory' or a possible 3.5 year lull in preparation for the time that will constitute the 7 year Tribulation period with the last 3.5 year or 1260 days of the Time of Jacob's Trouble. In prophetic 'time', what the study has suggested is that what pegs this possible year of 5776 to the Jubilee Year is the bench mark year of Jerusalem being politically liberated from the Muslims in 1967.

There is also the astronomical sign of Jupiter's collision with the 21 piece broken-up comet. Many are attributing this 21 piece or a 7-7-7 code to signal that the last 3 prophetic weeks or Sabbath cycles of years that will commence the last one that could be Daniel's last prophetic 70th Week to finish the punishment of Israel for rejecting YHVH's Jubilee, the Messiah, Jesus Christ. The multiple convergence of timelines in 5776 point to the possible year of release that could affect the Church and Israel in a most profound and prophetic way yet to be fully determined by perhaps even a coming Jubilee War regarding Israel that will facilitate the construction of the 3rd Temple. This event would surely signal that the transference of the Royal Commission of the Church has been completed.
