Source Logistics has implemented the following as policy regarding drivers who receive

"Any driver that receives a total of 3 roadside inspections within a 2 year period with violations or defects discovered or results in a moving violation , will be subject to termination of employment with Source Logistics."

You must comply with all Federal Motor Carrier Safety Administration regulations and company policies. This will include daily record of duty status, hours of service, maintaining all required documentation for truck, trailer, and yourself, · maintenance of vehicle, and all other regulations pertaining to operating a commercial motor vehicle. It is important that you conduct yourself as a professional and maintain a professional image at all times. With your help, Source Logistics can achieve the results that are needed.

Thank you,
