Casa del Cielo has been very diligent in maintaining a beautiful community with well managed landscaping, HOA fees, and pool/spa area by having dedicated residents who volunteer their time to be part of the Board, work on committees and help out when asked.

We have several openings coming up with our Board/Committees and we are looking for volunteers. Please send a bio outlining your experience and why you would be interested in serving and in what particular area you are interested to: Board Secretary, Hilda Banyon, www.banyonhilda@yahoo.com or

Board President, Barry Bader, www.bsbsab061470@gmail.com.

We love seeing our furry four-legged friends in the neighborhood. However, we continue to have complaints that owners are not picking up after their pets. PLEASE help to keep our community clean and free of animal waste. We also ask that you DO NOT leave waste in the pool trash bins. If we all work together, we can keep this under control.

There will be only one social gathering at the pool for November due to Thanksgiving holiday. Plan to gather on Thursday, November 9th at 5:00 p.m. This is a great way to meet your neighbors and

get acquainted. Bring a hors d'oeuvre to pass and your own drink(s). No glass in the pool area please. Questions: Sally White 480 370 4736

WORK DAY is November 11th. For those of you who are not familiar with this activity, Jeanne Balding schedules a “work day” in the spring and fall to do light chores around our neighborhood to keep it looking beautiful. We need volunteers. The morning starts with coffee/donuts at 8:30 at the pool. We have numerous activities planned: planting flowers, picking up debris around the community, table projects, kitchen cleaning, etc. Jeanne also provides a light lunch at 11:30 and invites neighbors to attend whether you participate in work day or not.

Reminders: **Nov 12th 10:30:** CDC Board meeting at the pool. This is an open meeting to all residents.

The CDC hotline 480 767 5940 is for residents to report issues, inquire about anything pertaining to our community or request to be contacted by a Board member. In order to expedite your call, please be sure to leave a message briefly describing the reason for your call, your address and a phone number where you can be contacted. This will help to get your message to the appropriate Board/Committee member in a timely manner.
