Choose from Hundreds of Dentists

California Dental Network offers comprehensive dental benefits through hundreds of independently owned and operated dental offices conveniently located throughout California. Visit www.caldental.net for a complete, up-to-date listing of **CDN** Providers.

Specialty Coverage

All general dentists may not be capable of performing each of the services listed and, based upon a Member's condition, certain procedures may not be within the scope of practice or ability of a general dentist. In such a case, the general dentist will refer the Member to a **CDN** participating dental specialist.

Improving Our Members Dental and Oral Health

Reducing your dental care expenses requires a good dental benefits experience for you to achieve improved dental health. CDN helps you achieve these goals by providing a high quality network of dentists from which to receive dental care, and excellent customer service support to help your family get the care and benefits you deserve.

Quality, Accessible Dentists

- Each CDN contracted provider is screened through the industry's highest credentialing process (NCQA) to ensure that our members receive good quality care.
- CDN members rate their dentists' quality 3.5 (on a scale of 4).*
- 90 percent of CDN members would recommend their dental office.*
- 349 Pediatric Dentists, 6704 General Dentists, and 3995 Specialists are available to CDN Members.

Personalized Customer Service

California Dental Network is proud that 95% of members would recommend their plan to a friend or family member.* We understand that our members and their families are counting on us to help deal with questions about benefits, providers, or just plain "what does this mean?" CDN's dedicated Covered California phone line will help members with all of these issues in their language of comfort, and our online services provide a 24/7 resource to find answers to frequently asked questions, assess personal oral health risk, and send requests for help.
