If for any reason your child will not be attending practice, you must call their coach and inform them of this. Also, please be sure to pick up your child on time. Your cooperation with these issues will be greatly appreciated by our volunteer coaching staff.

Football players will be given all equipment needed including a Shock Dr. Mouthguard except for football cleats and a t-shirt to wear under their jersey. Water breaks will be given, however players are encouraged to bring their own water bottles or sports drink to practice.

Cheerleaders will be given all equipment needed except for white cheer shoes, no show socks & black leggings. Water breaks will be given and each girl needs to bring their own water bottle to practice.

Practice uniform MUST also be worn to every practice.

Check with one of the coaches if you have any questions regarding cheer shoes.
