

DENVER PD RETIREE CCW QUALIFICATION DAY

WHERE: 3421 Park Ave West, Denver Police range.

WHEN: from 8am to 5pm. We break for lunch from 11 to 12am. We're usually slowest in the late afternoon and busiest mid-morning, so plan accordingly.

WHAT'S EXPECTED – SAFETY: All pistols **MUST** be cleared and locked back, no magazine in them, at the orange clearing barrels outside the front door **before** you come in. Do not remove your weapon from the holster or case until told to do so by range staff. Pistols must remain VISIBLY EMPTY (slide locked back, no magazine) at all times. Revolvers must be holstered or cased. Do not point your weapon, loaded or unloaded, at yourself or anyone else. **FAILURE TO FOLLOW THESE RULES, OR ANY SAFETY VIOLATION, WILL RESULT IN YOUR EXPULSION FROM THE RANGE.**

WHAT TO BRING: Bring your gun, spare magazines or speedloaders, and holster. Bring 50 rounds of ammunition if it's a caliber we don't provide. We have ammunition for 38 cal, 45 ACP and 9mm. Bring your driver's license, retired ID, and old CCW permit. We do not take your money – you will pay when you pick up your permit. **To speed things up, fill out the H.R 218 form at home and bring it in.** The form can be found

here: https://www.denvergov.org/content/dam/denvergov/Portals/720/documents/ConcealedWeapon/ccw_retired_officer_application.pdf

WHAT'S PROVIDED: Paperwork for H.R. 218 and Colorado CCW permits, assistance in properly filling them out, and qualifying ammunition for 9mm, .45 ACP, and .38 S&W. Eye and ear protection is available.

WHAT HAPPENS NEXT: We will forward your paperwork to the Denver CCW office for H.R. 218 permits if you live in or retired from Denver. They will contact you when your permit is ready (usually a few weeks), and you can pick it up and pay the fee at that time. For outside agencies we will send in the paperwork only if you live in Denver – if not, you take it to your agency or county of residence. For state permits we can only process Denver residents, others take the paperwork to your county.
